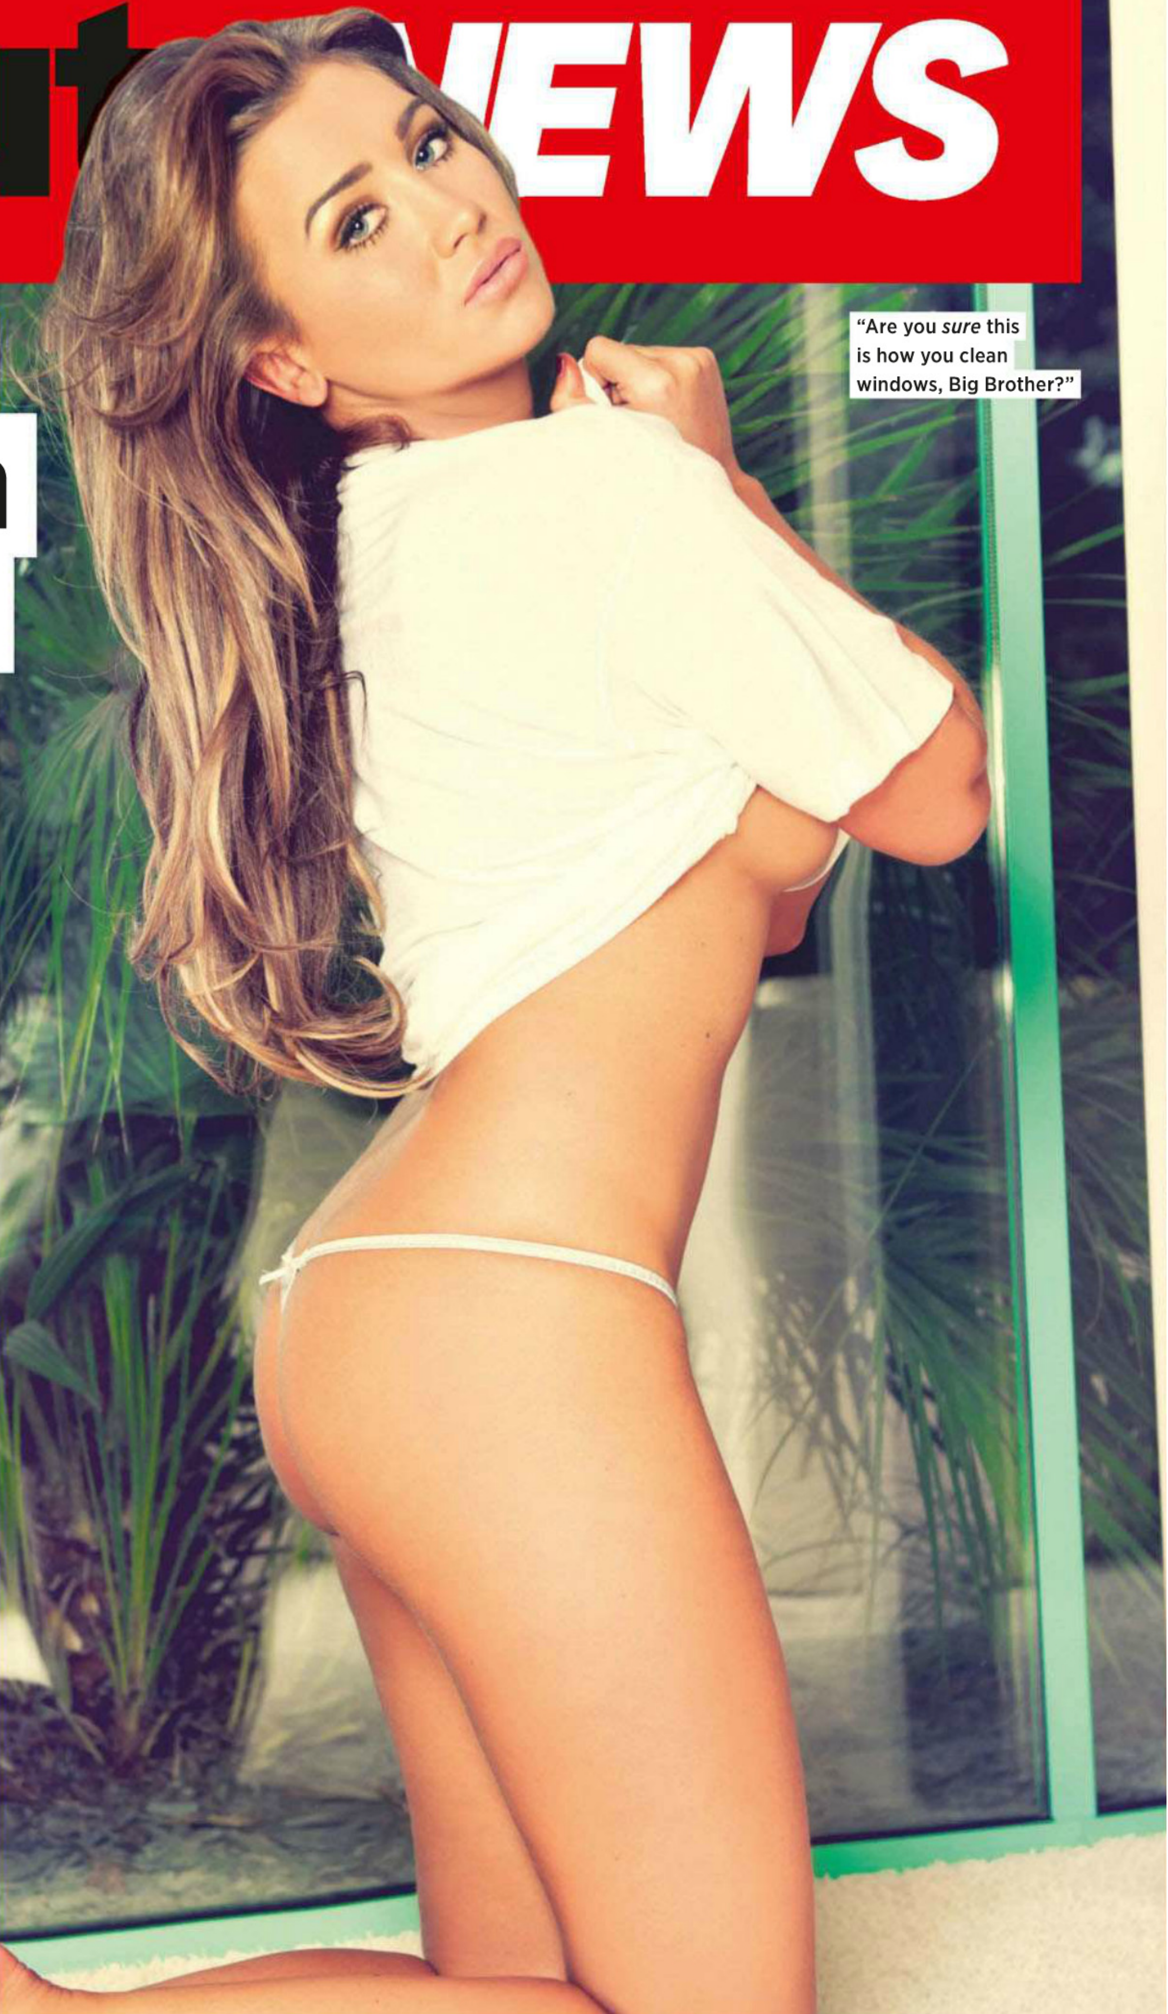
# Lauren on ice!

## The silly skating reality show's gone all Es-sexy!

➔ **WE IMAGINE** going bum-down on frozen water 50 times a day can play havoc with blow-dries, manicures and fake tan applications, but brave *TOWIE* honey Lauren Goodger is pluckily risking all to appear in *Dancing On Ice*. Although, in fairness, she's going to struggle to out-tan, out-boob or even out-drama fellow contestant Pamela Anderson. Bring on the catfight! ▶



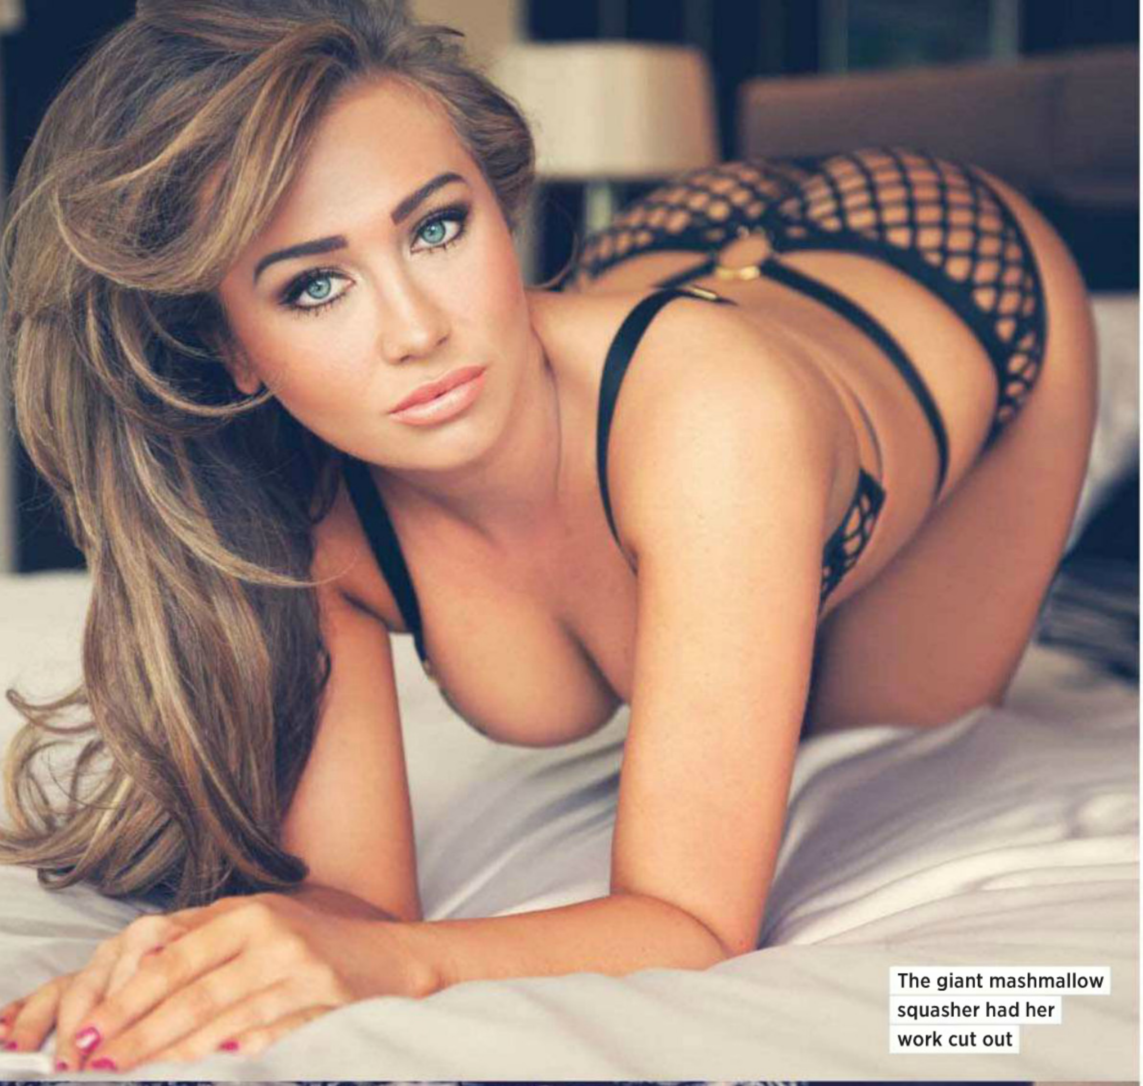
"Are you *sure* this is how you clean windows, Big Brother?"

**SUNDAY ON ICE!**

*Dancing On Ice* is on Sundays at 6.15pm on ITV1, with the skate-off a wee bit later at 8.30pm.

"Got my thumbs stuck! Send help!"

Turn over to see even more of Lauren



The giant mashmallow squasher had her work cut out

Lauren tested her bed exhaustively before purchase

> **"I'm training two to three hours every day!"**

**Hello Lauren! First up, why on earth are you planning to make a fool of yourself falling over on ice?**
I'm learning a new skill and I have to get it right. It's like learning to walk again. I'm having good and bad days. It's tough and I'm living and breathing the whole experience every day. Sometimes I get annoyed when I can't do it, but I'm prepared for all the ups and downs that come with this.

**Are you worried about facing the judges?**
I'm nervous because they may look at me and think I'm from reality TV and there won't be that much respect from the beginning. I hope the judges will take me for who I am. I'm also dreading that the show's live. You can't do anything again – it's the real deal.

**What about your chances?**
I'm really focusing on this and I'm trying my best. I want to do as well as I can. Never in a million years do I think I'll actually win as there are some great sports people taking part. No way. But I'd love to stay for as long as I can.

**How do you think your body will hold up?**
I've done boot camps and gyms for as long as I can remember and so my body's used to this. But at the same time, it's different and I'm using different muscles and that's why it's hard. I'm not a gymnast and it's hard for someone like me.

**Finally, how are you going to juggle training with falling out of Essex nightclubs after a couple of Lambrinis?**
*Dancing On Ice* is the main part of my life right now. I want to focus on this. I'm training two to three hours every day and it means I can't plan anything else during the week. But I don't mind – doing this show is exciting and an amazing experience!

## BALOTELLI BUST-UP!

# Kammy: 'These things happen all the time!'

## The *Nuts* legend gives us his take on Mario's mad training ground dust-up with Mancini!

➔ **Hi Kammy! So what do you make of the Balotelli brouhaha?**
What we're seeing here is Mancini reaching the end of his tether. It seemed it was all patched up after Balotelli decided not to take City to a tribunal over his recent fine, but a sense of gratitude doesn't seem to linger very long with Mario.

**Do bust-ups like this happen in training all the time?**
Oh yeah, absolutely! It's not much different to what you see in games. Look at what happened with Samir Nasri getting sent off at Norwich – when someone does a bad tackle on you, your first reaction is to go down and the next is to get up and have a pop!

**How often do managers manhandle players like this?**
It's not a new thing, it just happens less frequently – managers in the past used to grab hold of their players all the time. There's stuff Sir Alex Ferguson has done that he won't look back on with too much pride, grabbing his players by the throats and stuff. But things have changed, which is why everyone gets so excited.

**Does Mario have to go now?**
Well, if Mancini, after all the freedom he's given the player, still can't get some loyalty out of him, who can? He's a talented footballer, but how lenient is the world at large supposed to be because of that talent? As he gets older, you'd hope he'd become more professional, but he's at war with himself and the rest of the world.

**Will the City players respect Mancini less now?**
I think they'll respect him more! If you have a player thinking he's untouchable, his team-mates will be thinking, "At last! You've let him know who the boss is!" Mancini's main problem is what the club's owners think about the manager fighting!

**Finally, might City close their training ground to the camera lenses now?**
Yeah, it could easily happen. But stuff like this will always happen, cameras or not.

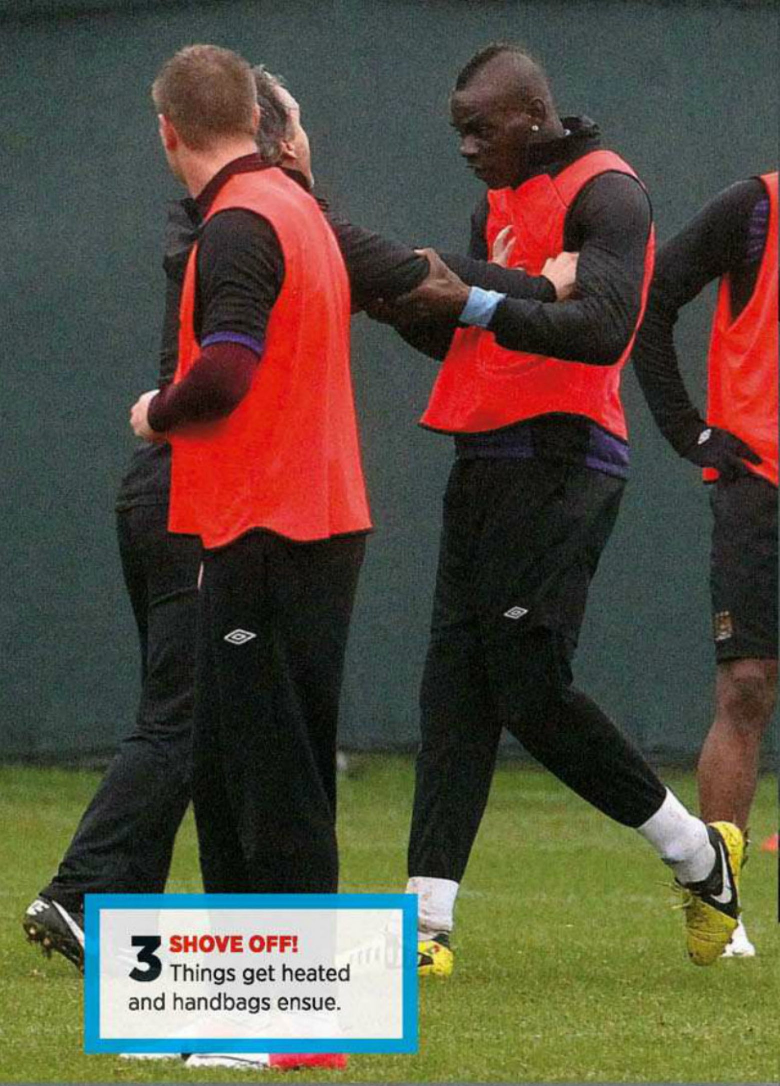
**1 MANCINI SEES RED!** Mario's late tackle on Scott Sinclair kicks it off.

**2 THE STAND-OFF!** The boss is furious with his wayward star.

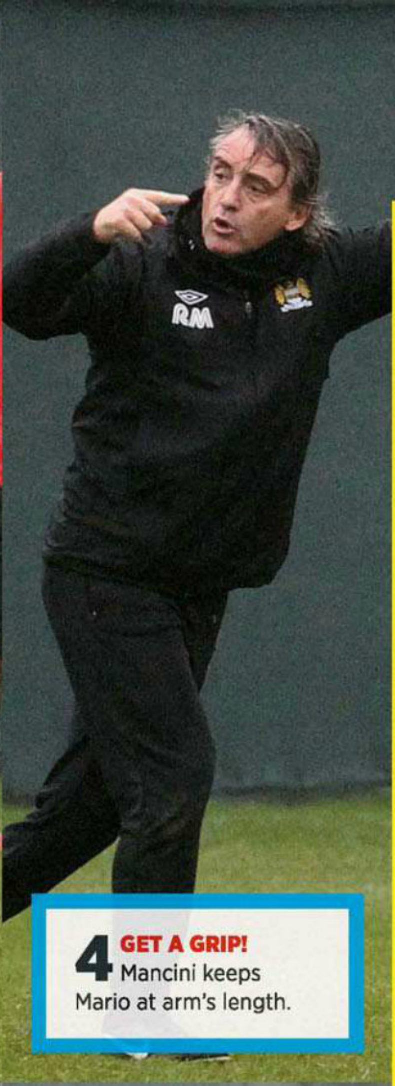
**KAMMY'S CAREER!**

Kammy played for nine clubs in a 20-year career, then went on to boss Bradford and Stoke.

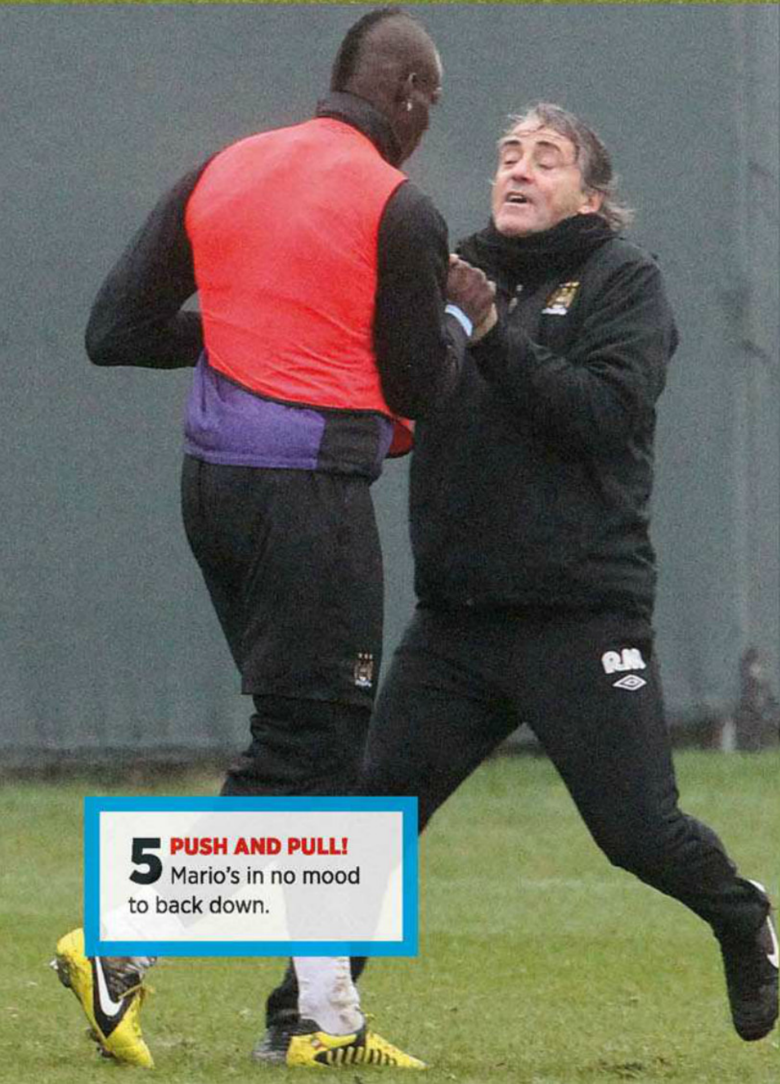
INTERVIEW: PETE CASHMORE PHOTOS: EAMONN AND JAMES CLARK



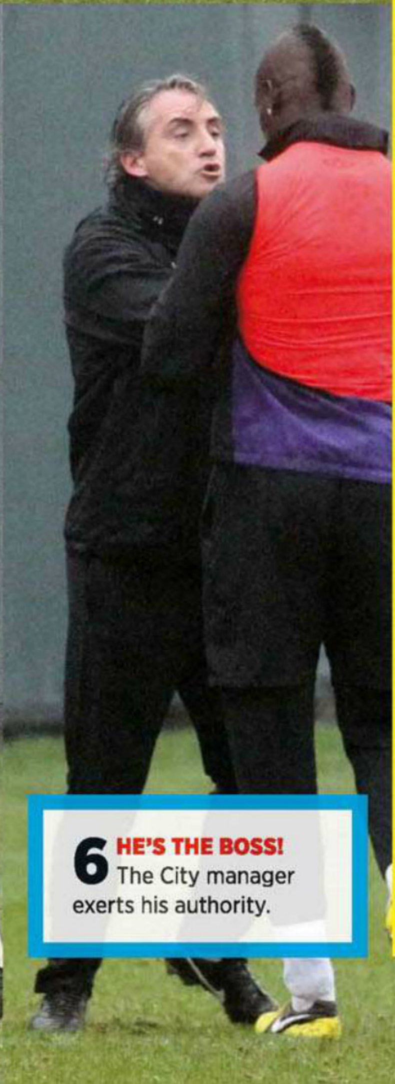
**3 SHOVE OFF!** Things get heated and handbags ensue.



**4 GET A GRIP!** Mancini keeps Mario at arm's length.



**5 PUSH AND PULL!** Mario's in no mood to back down.



**6 HE'S THE BOSS!** The City manager exerts his authority.

## 5 training ground bust-ups!

**1 BARTON VS DABO, 2007**
Ousmane Dabo suffered a detached retina after Joey Barton punched him. Barton got a suspended prison sentence for it.

**2 HARTSON VS BERKOVIC, 1998**
Eyal Berkovic started this altercation by punching John Hartson in the leg – Hartson ended it with a hoof to the Israeli's face.

**3 MELLBERG VS LJUNGBERG, 2002**
During an open training session Olof Mellberg and Freddie Ljungberg came to blows after Mellberg made a bad tackle.

**4 QPR VS CHINA, 2007**
This training ground brawl left China's Zheng Tao with a broken jaw and QPR assistant Richard Hill being questioned by police.

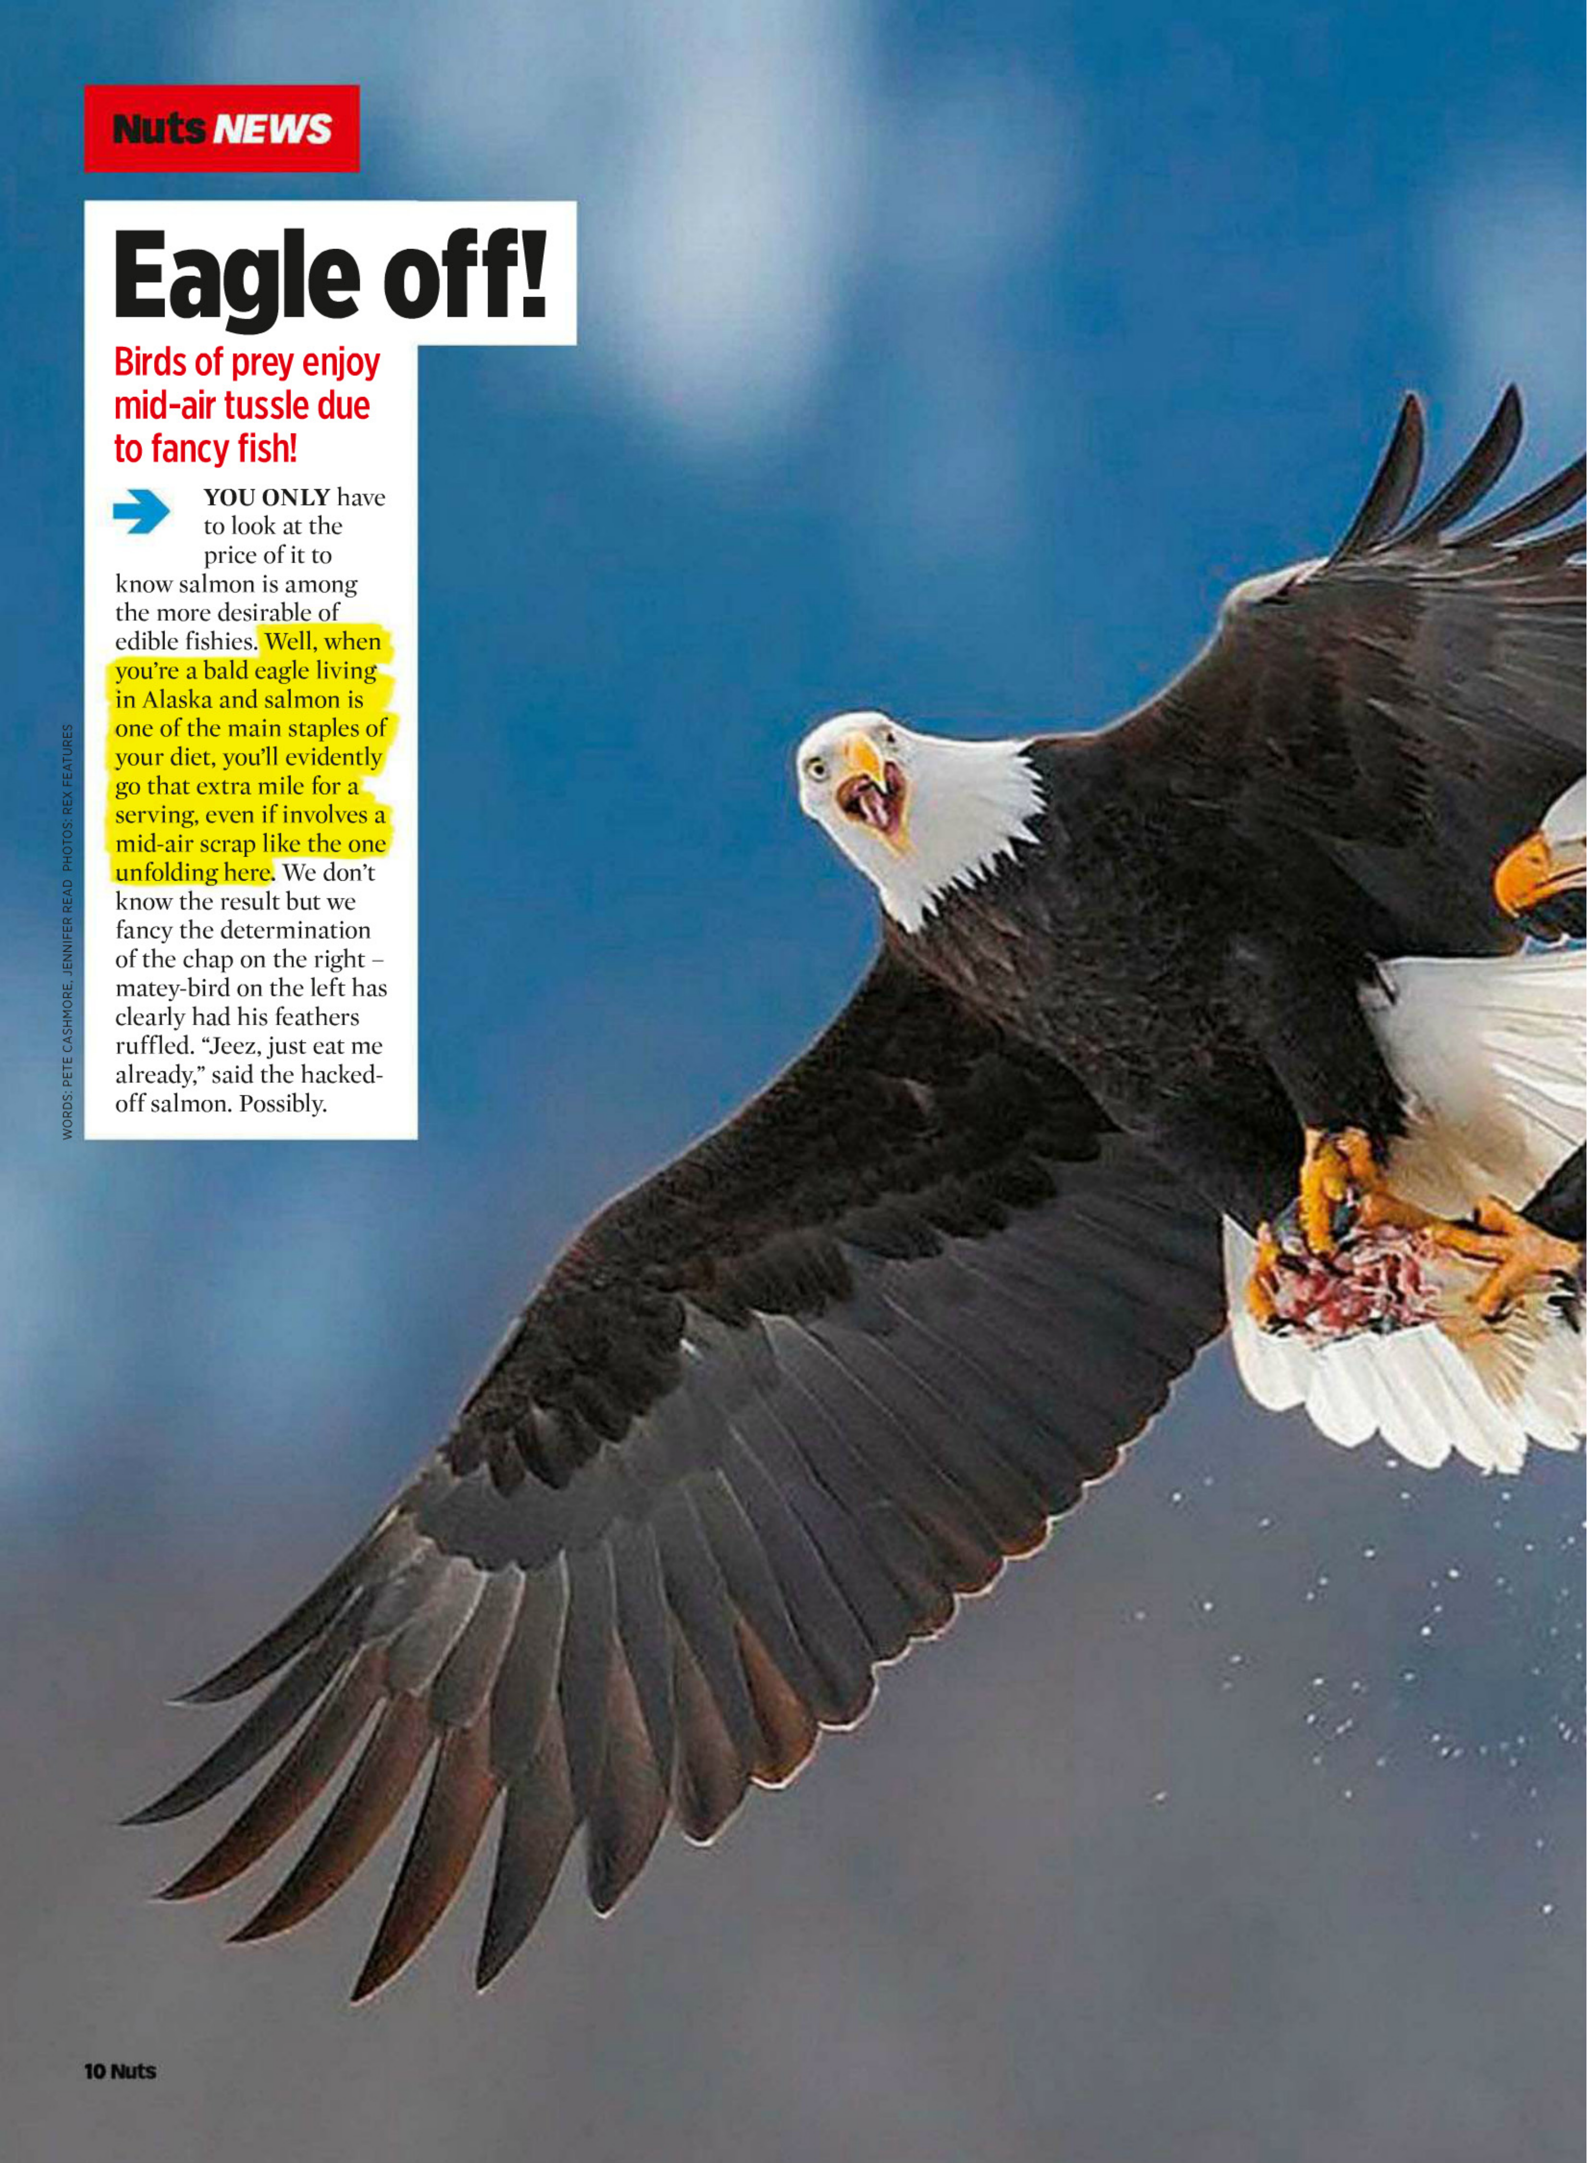
**5 GRAVESEN VS ROBINHO, 2006**
Robinho reacted badly to a tackle by hardman Thomas Gravesen and a scuffle ensued. Thankfully for Robinho, it was soon broken up.

# Eagle off!

## Birds of prey enjoy mid-air tussle due to fancy fish!

**YOU ONLY** have to look at the price of it to know salmon is among the more desirable of edible fishies. Well, when you're a bald eagle living in Alaska and salmon is one of the main staples of your diet, you'll evidently go that extra mile for a serving, even if involves a mid-air scrap like the one unfolding here. We don't know the result but we fancy the determination of the chap on the right – matey-bird on the left has clearly had his feathers ruffled. "Jeez, just eat me already," said the hacked-off salmon. Possibly.

WORDS: PETE CASHMORE. JENNIFER READ PHOTOS: REX FEATURES



# FOOD FIGHT!

“Dude! Behind you! It’s that kestrel whose wife you shagged!”

## Bald eagle facts

**And “they’re not bald” isn’t one of them!**

- **Bald eagles hold the record for the biggest nest ever built. One nest in Florida was 6.1m deep, 2.9m wide and weighed 2,722kg.**
- US Founding Father Benjamin Franklin, argued against their use as the American national symbol because they often steal other birds’ or animals’ food.
- **The female of any couple always chooses in which tree they’re going to build a nest.**
- They’re called “bald eagles” because of their white heads – “balde” being an old English word for white.

# A quick word with Ryan Gosling!

## The actor on Emma Stone, hats and guns!

**Hi Ryan! *Gangster Squad* is your second movie with Emma Stone after *Crazy, Stupid, Love*. What do you like about working with her?**
Well, Emma owes me money. And the only way I can try to get that back is by doing movies with her. And she still owes me money!

**Really?**
No, I think it was hard for us to be serious. We'd made this comedy together and so we were a couple of knuckleheads. And then we thought it'd be fun to work together again. And then we had to try and be serious.

**So, can you pitch *Gangster Squad* to us?**
It's a '50s gangster picture. Josh Brolin is the lead and Sean Penn plays Mickey Cohen. It's just a great cast. Giovanni Ribisi, Anthony Mackie. Just a lot of really great actors. It was a great experience.

**How much research did you do for your character, police enforcer Sgt Jerry Wooters?**
We got a chance to meet some family members, and his kids came to the set and told me a lot of great stories, a lot of great details. Like apparently, when he used to ash his cigarette, he would ash it in his trouser pockets. And at the end of the day, he would dump all the ashes out of his pockets.

**It's a period movie, so you have to wear a hat. Did it affect your performance?**
It was quite itchy, so I had a rash. And I channelled that irritation into... my hatred for gangsters!

**What was most challenging part of the film for you?**
It was challenging for me when I realised I wasn't going to get a Tommy gun! I thought for sure I'd have one, and instead I got a little tiny lady gun. And Josh [Brolin] kind of hogged the Tommy gun. So that was difficult for me.

**Is it true that you're doing a reboot of classic '70s sci-fi movie *Logan's Run*?**
Well, we're developing *Logan's Run*. We're just sort of creating the world right now. Then we'll try to figure out what kind of story could take place in that world. The original was shot in a mall.

**Really?**
Yeah. But we'll try to do it our own way, and maybe even go back to the book.

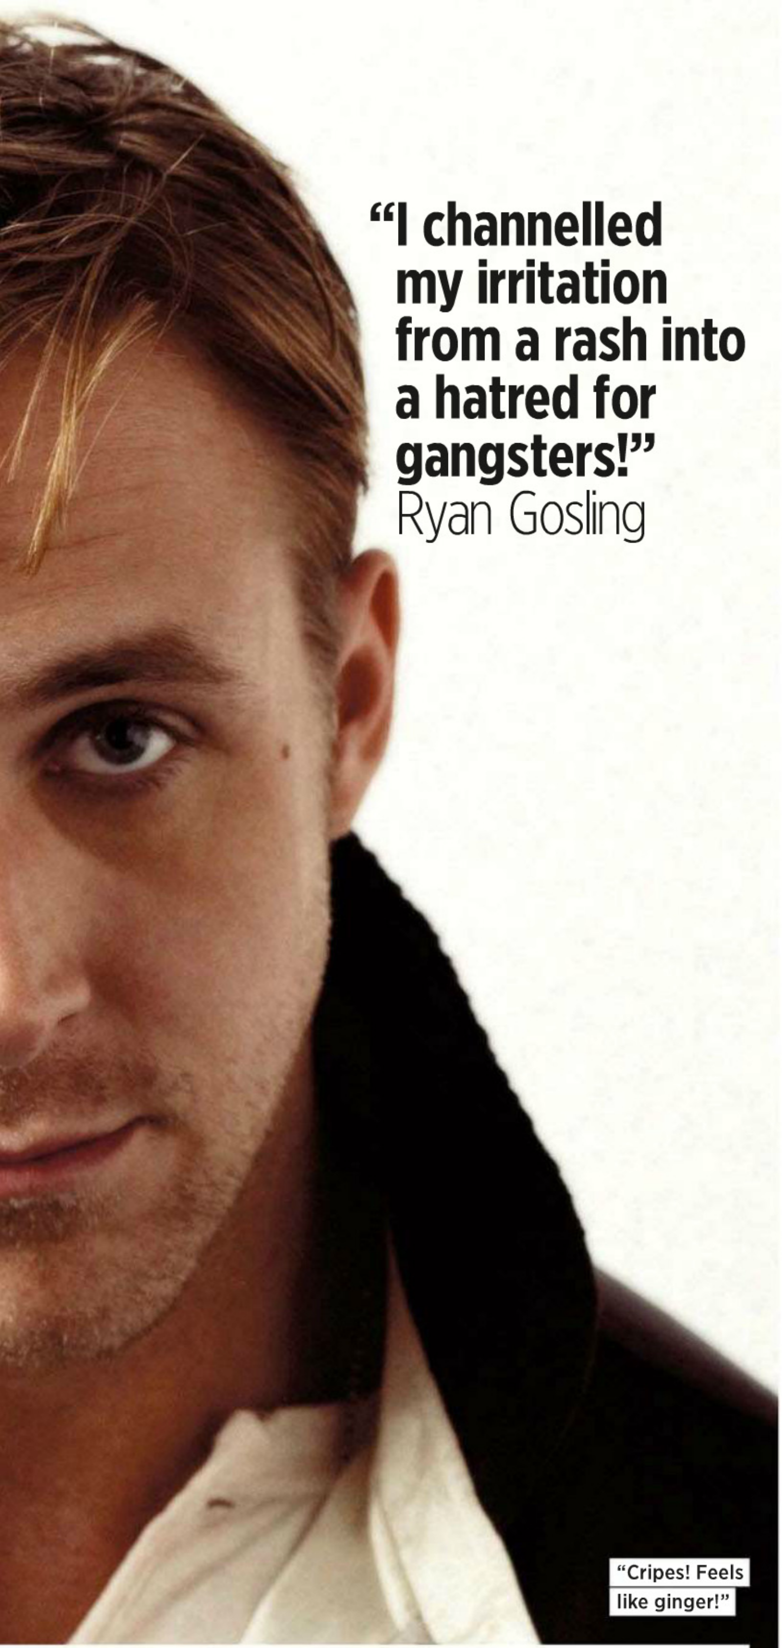
**And apparently you're in a band, *Dead Man's Bones*?**
It's a music project that I have with my friend, Zach Shields. We started off making a play about zombies, ghosts and monsters who are lonely and looking for love. But it turned out that it was going to be the most expensive play of all time and nobody would make it. So we thought we'd make it into a movie. And it was equally expensive and nobody would make that! So we said, oh we'll make it into a record, because records are cheap. And now suddenly we're a band, which was never the plan, but that's what it is.

**And what do you play?**
It's just the two of us, kind of an Everly Brothers [veteran rock'n'roll duo] thing. We try to play everything ourselves. Not very well! And our first record was, *Never Let The Lack Of Talent Get You Down*!

**THE BATTLE FOR LOS ANGELES!** The film tells the true story of LA cops taking on a Mob boss in the '40s and '50s.

PHOTOS: BILL PHELPS/CORBIS OUTLINE

> **“I channelled my irritation from a rash into a hatred for gangsters!”**
> Ryan Gosling



“Cripes! Feels like ginger!”

**Is being an actor the world’s most glamorous job?**
Yeah! I feel very lucky. It’s like living many lives in one. You get more than just one. It’s a hard thing to explain, it’s always changing. But picking roles is sort of, when a song comes on, you gotta dance. You don’t really know why you have to dance. You just gotta do it.

**Thanks, Ryan! Finally, we presume you’re not short of attention from the ladies in your line of work…**
Not really. I don’t want to disappoint you, but no. It’s not really like that. I’d like to keep your fantasy alive. But it’s not!

- *Gangster Squad* hits cinemas on Thursday.

# Helicopter sea rescue goes awry!

## Brazilian beach assist fails badly!

➔ **WE’RE SURE** the plan was: fly to beach. Save swimmer. Tell mates about it down the pub. Maybe kiss some nice ladies. But this rescue attempt on Brazil’s famously honey-stuffed Copacabana beach instead ended up with the helicopter going straight in the drink, and a major rescue effort by grown-ups. Amazingly, all four passengers emerged unhurt, with just soggy smartphones the casualties. And a dead chopper, obviously.

The chopper arrives to rescue a stricken swimmer…

…but it’s not long before things goes wrong…

…badly wrong…

…but incredibly, no one was hurt!

# 217mph Italian supercar!

## Meet one of the world's most exclusive motors, the Mazzanti Evantra!

- **The Mazzanti Evantra is proof that there are modern Italian supercars beyond Ferrari's prancing nag and Lambo's leaping cow. And with no more than five a year to be made, this will be rarer.**
- We counted 36, but there could be even more gills and vents dotted around the Evantra's bodyshell – some to channel air to the mid-mounted 7.0-litre V8 (possibly borrowed from a Corvette) and some to keep the Brembo six-piston 380mm front brakes chilled.
- **Next to a 458 Italia you wouldn't call it pretty, but the Evantra is no Gumpert Apollo – it doesn't look like it was drawn on a maths book by an 11-year-old in 1995, basically. Above the many diffuser vents there are two pairs of frowning Nissan GT-R circular rear lights with red LED eyebrows.**
- At the front, four small, circular headlights mimic the Pagani Zonda's face, with Ferrari F430-shaped intakes. In fact, we could spend all day playing spot-the-inspiration in the styling department, but with a 217mph max-out, the Evantra matches the Lamborghini Aventador's top end. So scoff at your peril.
- **Its performance off the line is equally respectable. 0-62 passes in 3.2 seconds, which is 0.1 of a second quicker than Porsche's fastest 911 – the £130k Turbo S. Having 701 horses is an obvious help there, but unlike the 4WD 911 Turbo or Aventador, this Italian creation is rear-wheel-drive only.**
- The Mazzanti's innards are simple, but pretty tasteful, using a lot of soft Italian leather and carbon. The centre console features a dial for the different driving modes – "Strada" for street driving or "Corsa" for messing about on a circuit. The sequential gearbox is operated by steering wheel paddles, and the dash houses a Bosch infotainment system along with data acquisition.
- **Where the starter button can normally be found in the centre console on supercars, the Evantra's is actually in the roof.**
- Customers can choose what their car will be made of – carbon-fibre "pro body" or aluminium "one body" bodyshell, carbon's lighter, but both bodies are lowered over a steel space frame/roll cage. Either way, the price should be the same, £290k. But what price exclusivity?

***NUTS* READER** Carlos Brett, 24, from Southampton was doing some late-night cramming for an assignment when his tiredness got the better of him. As his head began to nod, his face met the Biro he was holding, jolting him awake in a very painful way.

He says, "I remember feeling really tired and my eyelids trying to close. The next thing I knew, I had a pen in my face! I must have just slumped straight onto it."

Thankfully, a mate was on hand to call an ambulance. Carlos spent the night in hospital awaiting a surgeon who could extract the pen.

"You wouldn't believe how hard it is to sleep with a pen in your face. I pulled part of it out, but the rest of it broke off. I then panicked I might damage an eye so left it in."

Once the pen was removed, Carlos was left to complete his coursework. But what a way to get an extension – it beats "the dog ate my homework"!

# Worried about a pal? Have a word!

***Nuts* links up with Time To Change and discovers your mates are the key to combating mental health problems!**

**RUSSELL BRAND,** Owen Wilson, Eminem… The list of top blokes who've experienced mental health problems is as long as Peter Crouch's shorts. But the one thing they all reckon got them through the dark days was having someone to talk to. Every bloke knows that when you're going through bad times, you discover who your mates are. So if one of them is feeling low, have a word. Talking works, as these famous types who've grappled with depression can confirm.

Manager of Celtic FC

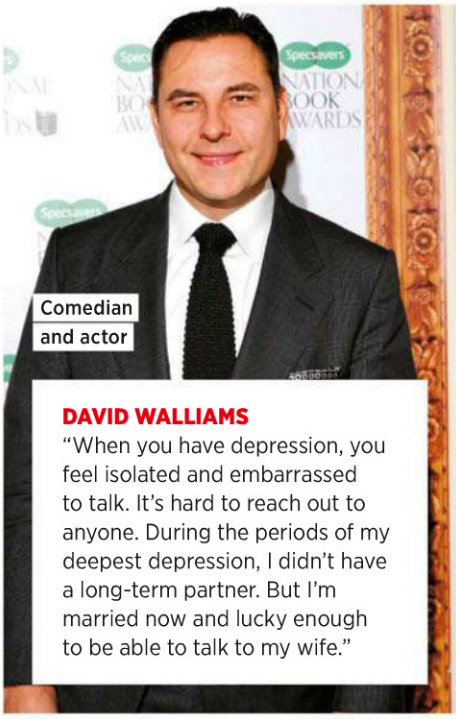
**NEIL LENNON**

"Football is a macho environment, with a group of highly charged men who might take the mickey or look on you as weak. Footballer or not, if you're depressed, speak to someone. It's the best way to cope, and a fantastic feeling when you come out the other side."

England cricket legend-turned-boxer

**ANDREW FLINTOFF**

"I was supposed to be this unflappable character but I was having a drink with my dad on Christmas Eve 2006 and started crying my eyes out. I couldn't do it any more. I was captain of England, yet I didn't want to get out of bed. We talked it through."



Comedian and actor

**DAVID WALLIAMS**

"When you have depression, you feel isolated and embarrassed to talk. It's hard to reach out to anyone. During the periods of my deepest depression, I didn't have a long-term partner. But I'm married now and lucky enough to be able to talk to my wife."

Hollywood actor

**JON HAMM**

"When I was younger I struggled with chronic depression. I was in bad shape. I knew I had to get back in school and back in some kind of structured environment in order to continue. I was very fortunate to have really good friends who rallied around me."

So there you have it, gents: proof that being a mate is the world's most important job. If you're worried about a friend, ask how he's feeling. Or drop him a text to get the conversation started. Letting a mate know you're there for him will mean the world. And when he starts to unload, don't butt in with clichés like "chin up". He'll need you to listen to what's bugging him. Find out how to start your conversation today at **time-to-change.org.uk** or tweet with the hashtag #timetotalk.

it's time to talk. it's time to change

## Stockings rock!

**I love it when *Nuts* babes wear stockings in shoots! How do you think I could persuade my missus to invest in some to wear in the bedroom?**

**AARAN** Nottingham

Tell her what you told me! Most women enjoy impressing their partners. Tell her to have them on for when you return home from work and to keep her heels on, too!

## I fancy my pal!

**I've started to develop very strong feelings for my female friend who I've known since high school. I'm worried that if I tell her how I feel about her, it could ruin our friendship forever. She has a boyfriend too, but he's a right wally!**

**KEVIN** via email

Tell her – she'll love it, even if she doesn't feel the same way. Everybody likes being told they're liked. Be realistic about her taste in men though, as you don't want to be lining yourself up for failure. Try taking her for a drink and kissing her at the end of the evening. See how it goes!

**LETTER OF THE WEEK!**

## My friend's girl is horrible!

**My mate's girlfriend is putting me in a really awkward position. She flirts with me all the time when we're all out and makes references to not being in love with my mate any more. I'm not sure if I want my mate to find out what she's really like. How do I handle this one?**

**ANON** Norwich

This is a messy situation. Tell this girl to be honest with your mate about how she really feels and if she doesn't, tell him yourself. Friends are forever, nasty girlfriends are for minutes. The truth is always better and people will respect you for it.

## I don't like the main course!

**I don't know how to break it to my missus that I just don't enjoy penetrative sex. I get really turned on by foreplay and mutual masturbation, but I like to leave it at that. Do you think she'll leave me if I tell her?**

**GARY** via email

Gary, I think before telling her this, you should ask yourself the same question that she will inevitably ask you – why? Is it a psychological thing? Does it hurt? She could take this very personally. Talk to someone privately about this first, in more detail.

- If you've got something to ask Danni, just email her at **thelesbian@nutsmagazine.co.uk** or write to her at the usual *Nuts* address on p64.

## No smoke without fire!

**TWO LITTLE** boys are sitting on the porch and chatting. One little boy says, "My daddy smokes and he can blow smoke rings."

The other little boy, not to be outdone by his friend, replies, "My daddy smokes too, and he can blow smoke out of his backside."

"Really? Have you seen it?" asks the first boy.

The second little boy responds, "No, but I've seen the tobacco stains in his underwear."

## In the doghouse!

**A MAN** comes home one night at three o'clock in the morning, absolutely steaming. His wife has left him a note saying, "I've cooked your dinner but given it to the dog."

The next day, the man says to his wife, "Can I ask you something? I've come home late, very drunk. It's all my fault, right?"

"Of course it's all your fault!" she screams.

The man replies, "So what have you gone and punished the dog for?"

# India Reynolds!

Happy New Year? You can say that again!

**“I love stockings – they make a girl feel amazing!”**

**Hi India! How messy was your New Year's Eve?**
Hello! Very messy! I have Christmas, my birthday and New Year all within ten days of each other, so it's a hardcore time of year!

**A lot of people are giving up booze in January – what can we replace it with?**
The best is absolutely pigging out. You need a Nando's, a Domino's, then a roast dinner – and then you get out of bed. Ha-ha! Food is an excellent replacement for alcohol.

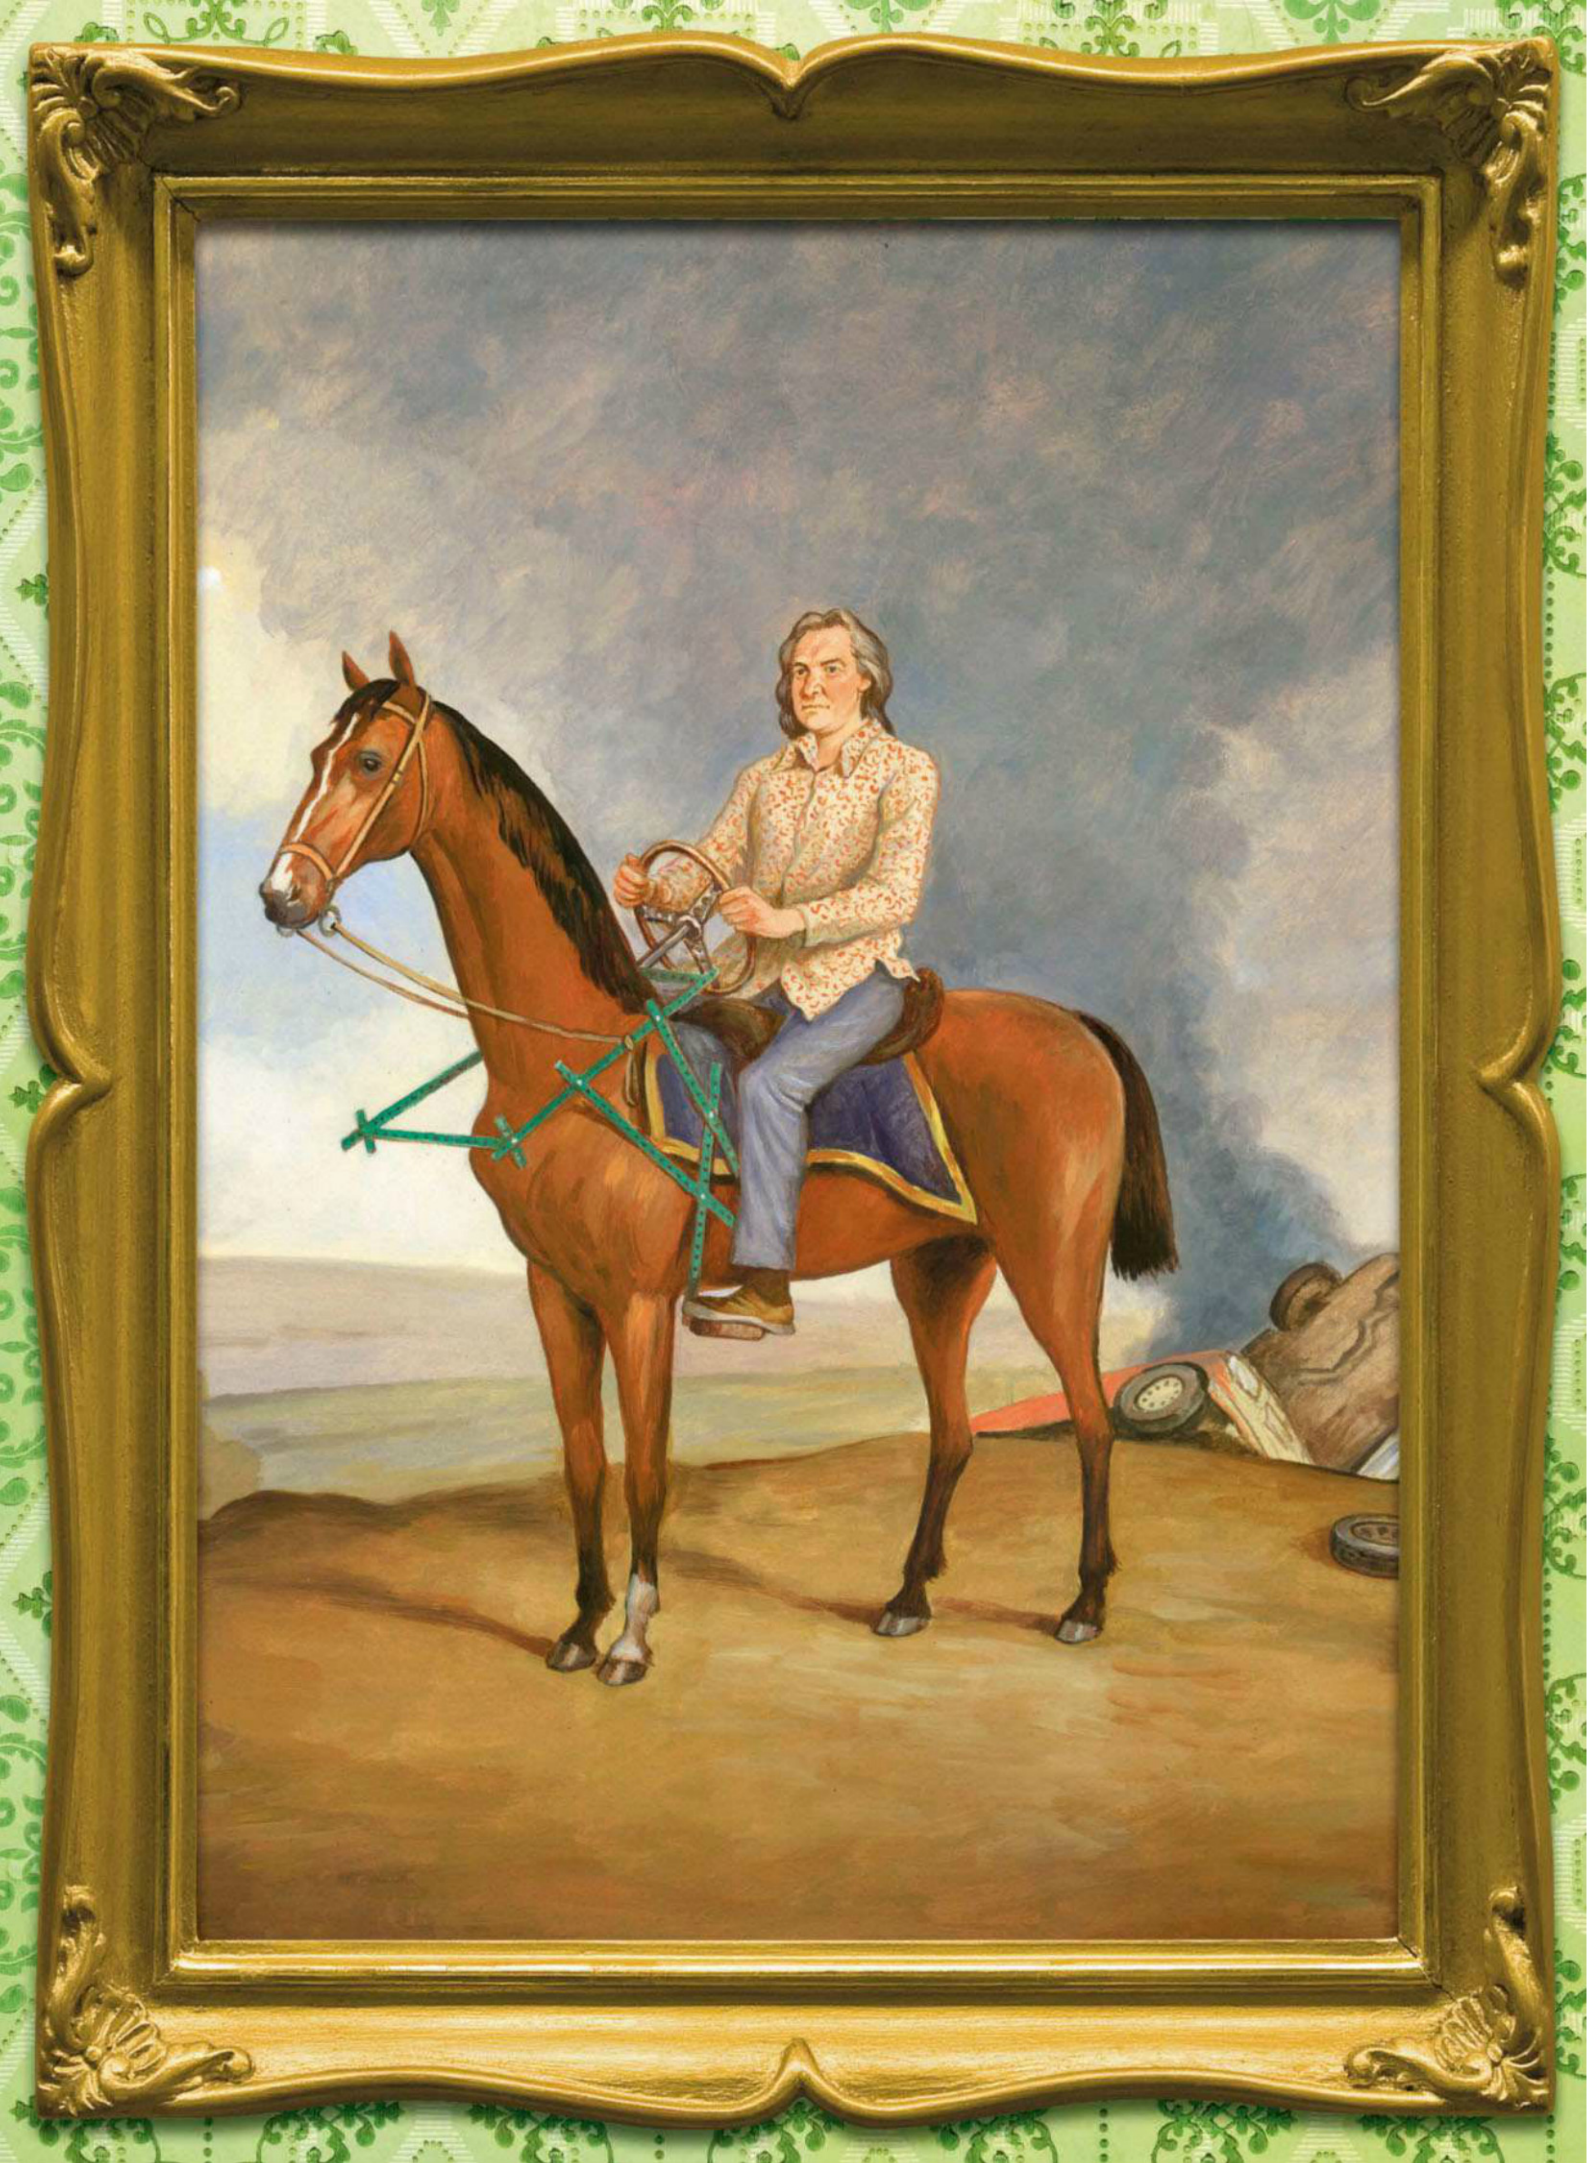
**You're known as the *Nuts* queen of partying – how are you going to keep your crown this year?**
I need to up my game. We should throw a party at the *Nuts* office where readers can vote on what underwear us *Nuts* girls have to turn up in. I imagine the website might crash, actually!

**Awesome! Can we come?**
I'm not sure you'd be able to handle us. Rosie Jones should be on the velvet rope with a clipboard. She looks amazing and would set the tone, plus she can be the scariest person ever. You don't want to be on the wrong side of Rosie Jones – she's been known to bite!

**Crikey! We'll remember that! How can us chaps improve their luck with women this year?**
It's a massive no-no to see a guy try to pull about three of your mates then try it on with you. Make friends with her friends, but don't sleaze on them. Also, don't just follow her around until closing time. Make her laugh, be cool, then keep her guessing. Also – you don't have to go home with her that night, do the groundwork and get her number.

**Thanks, India. Finally, did you make a New Year's Resolution?**
I did – I'm going to wear hold-ups and stockings. I love stockings – they always make a girl feel amazing!

INTERVIEW: ANDY JONES



# JAMES MAY

## Captain Slow spills the beans on Hammond, Clarkson and Gok Wan!

**Hi again, James! Your new DVD is called *Top Gear: The Worst Car In The History Of The World*. What, in your opinion, makes a terrible car?**
A terrible car – literally, as Jeremy would say – is one that doesn't work very well, breaks down, leaks, is too slow, doesn't handle and all the rest of it. Rather like Clarkson. If the DVD was *The Worst Person In The World Ever*, that would be easy.

**How do you know that these cars aren't, in fact, absolutely brilliant and it's your opinions that are terrible?**
Well, now you're into a very interesting argument. How do we know that the sky is blue and it's not just a convention we've all bought into? Get out of that one!

**Er, OK. Have you ever got it really wrong with a car?**
That happens quite regularly because no one actually takes any notice of what we say. I can remember saying that some Toyota was rather dull and within three weeks, three people on my street had bought one. So either they're not interested in our opinions or we have a positive effect. People seem to think that if we don't like a car, it must be quite good.

**Why don't you forget about reviewing cars and review different things each week, like laptops or films or jam?**
That's actually a really good idea. We could call it *Top Stuff*. If Clarkson was going to present anything else, it should be *DIY Disaster*.

**What if the cars had to review the *Top Gear* presenters? Who would get the best review?**
Gosh, what an interesting concept. Do you spend hours sitting around trying to come up with the most obscure questions? If a 1968 Mulliner-bodied Bentley was reviewing us, it would like me. If a Mustang was reviewing us, it would like Hammond for his gum-chewing, hat-wearing, pseudo-American ways. If something brash and vulgar was reviewing us, it would like Jeremy because it would see him as a mirror to its wild, wheel-arched yobbery.

**And what about if you were just engines?**
I once tried to work out what sort of motorcycle engines we were. I'd be something like a flat twin – slightly ploddy but goes on for a long time and doesn't require much maintenance. Hammond would be a '70s Japanese high-revving two-stroke, so quite noisy but then suddenly goes bang. And Clarkson would be a stationary steam engine from the early 18th century.

**If Clarkson is alone in a forest and falls over, does he make any noise?**
Yes, because he'd shout, [does impression of Clarkson] "I've literally fallen over and broken my leg! I'm literally dying! My face has literally come off!" And somebody would hear him.

**While travelling on your show, you met the Stig's Yorkshire cousin. Are there Stigs all over the place?**
Yes. Just like *Men In Black* or *The Matrix*. We don't know where they are and we don't know how many. But there seems to be an infinite number because wherever we go, we always find a Stig.

"Help! How do you stop this lawn mower?"

**It's only you and Clarkson on this DVD. What's happened to Hammond? Have you sold him or something?**
Not as a pet. The trouble with hamsters is that they die easily. No, he was in America making some other show. He's basically a traitor.

**Now that it's a new year, will you and the chaps finally sort your clobber out?**
We've always maintained that no part of the *Top Gear* budget goes on wardrobe, hair, Winnebagos or any of that starry b*llocks. We're proud of that. Every item of clothing is our own. Nobody says, "Don't wear that," because they'd end up getting a smack in the teeth.

**Maybe you could consider getting Gok Wan on board as a fourth presenter to fashion you all up a bit?**
I've met Gok a few times actually but, gosh, doesn't he dress carefully? I honestly don't think people tune into *Top Gear* to see the latest fashion in clothes. The latest fashion in cars, maybe.

**Do you realise that most of the people who watch *Top Gear* don't give a monkeys about cars anyway? They just think you, Clarkson and Hammond are really funny.**
That's the idea. The hardcore enthusiasts tend to hate us these days. They don't think we take the subject seriously enough. ✖

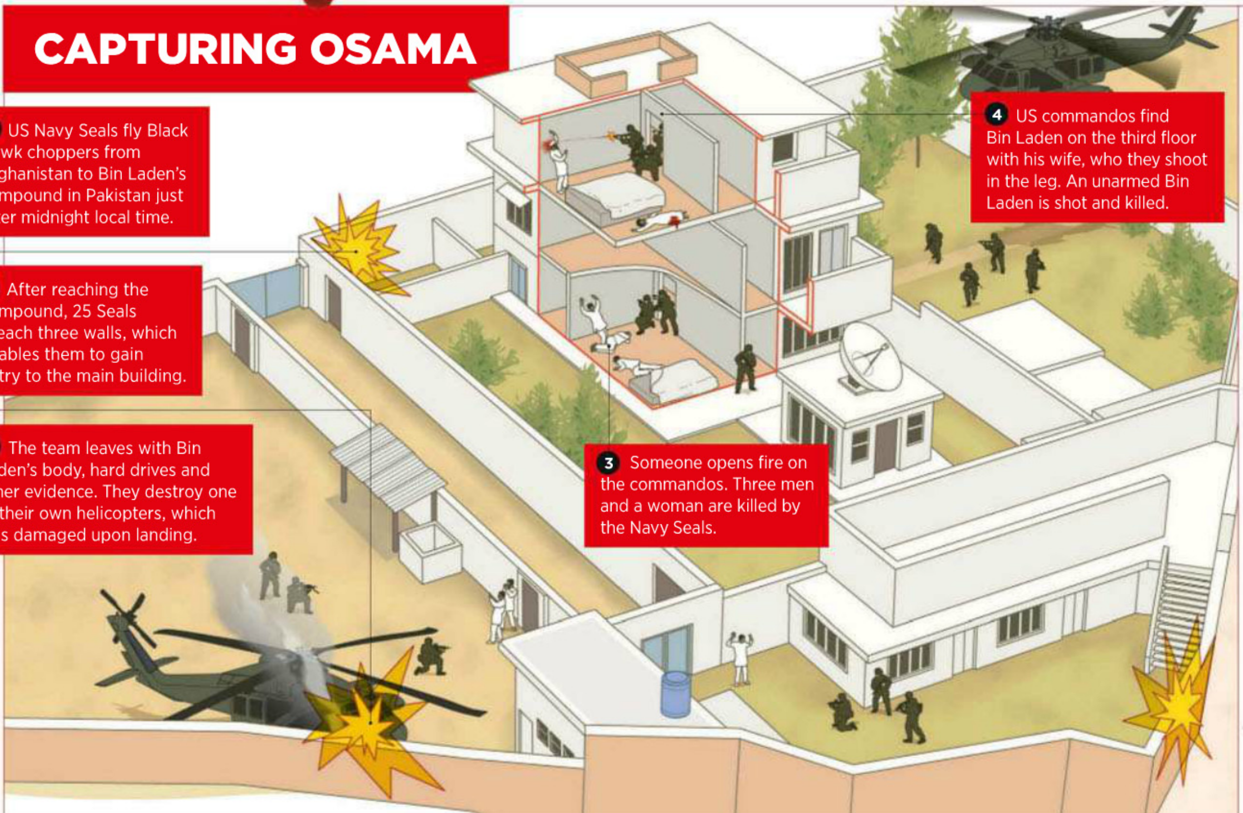
# KILLING OSAMA BIN LADEN!

How the world's biggest manhunt ended in the bloody death of America's most wanted man…

## CAPTURING OSAMA



**1** US Navy Seals fly Black Hawk choppers from Afghanistan to Bin Laden's compound in Pakistan just after midnight local time.

**2** After reaching the compound, 25 Seals breach three walls, which enables them to gain entry to the main building.

**3** Someone opens fire on the commandos. Three men and a woman are killed by the Navy Seals.

**4** US commandos find Bin Laden on the third floor with his wife, who they shoot in the leg. An unarmed Bin Laden is shot and killed.

**5** The team leaves with Bin Laden's body, hard drives and other evidence. They destroy one of their own helicopters, which was damaged upon landing.

Osama bin Laden in his hideout

US Navy Seals in training to seek out terrorists

Obama and his team are updated on the mission

One of the rooms in Bin Laden's hideout

**FOR NEARLY** ten years, the man who had masterminded the worst terrorist atrocity in history had evaded capture. Osama bin Laden, who planned the 9/11 attacks that claimed the lives of 2,996 people in 2001, was the most wanted man in the world. Finally, in May 2011, the United States Navy Seals were about to get their man, having located him in a nondescript compound in Abbottabad, Pakistan, and enforce lethal justice. *Nuts* looks at the key facts about the mission to lop off the head of al-Qaeda...

## Obama's decision

President Obama's team had three options on how they could take out Bin Laden. Option one was a drone attack, which wouldn't kill anyone else but had the disadvantage of destroying the target so completely that nobody would be able to identify if it had succeeded. Second, a bombing of the compound, which brought with it the problem that an explosion might not reach any potential tunnels Bin Laden could hide in, as well as killing at least 20 children who lived with him. Third, and most risky – a Navy Seals raid, which meant that troops could potentially capture Bin Laden alive rather than just kill him. They opted for the third, most audacious method.

## Identifying Osama

Bin Laden was known as "The Pacer" to US intelligence chiefs, who argued for months as to whether the man they'd located via satellite images was actually him. Leaving the compound in Pakistan every afternoon, the individual in question went for an afternoon stroll where he would pace nervously up and down a small plot of vegetables.

## The rehearsals

Hand-picked shooters from Navy Seals Team Six were sent to a replica of Bin Laden's base in Fort Bragg, North Carolina, where "dress rehearsals" for the raid took place in April 2011.

## Information from torture?

Experts believe that torture was used by the CIA in order to get intel about Bin Laden's location. "The USA approved it," claims Mark Bowden, author of *The Finish: The Killing Of Osama Bin Laden*. "Some interrogations were done by other countries that are notorious for not being scrupulous. But key people on the trail were interrogated by the CIA itself in sessions that definitely involved 'coercive methods'."

## Dog soldier

One of the more surprising members of the Navy Seals team that raided Bin Laden's hideout was a Malinois (Belgian shepherd dog) called Cairo. Equipped with his own ballistic body armour, he'd been used in previous Navy Seals operations to sniff out suspects hiding in tunnels or under floorboards.

## Osama's hideout

Reports that Bin Laden was hiding in a "luxury" compound are false. Living conditions in his quarters were actually of a lower standard than some prisons in the US. Bin Laden was, however, living with three of his wives at the time of the raid.

## Awaiting death

Bin Laden would have spent about 15 minutes knowing full well that his life was almost certainly about to end. From his room on the third floor, he'd have heard Navy Seals blast through a steel door to get access to the upper two floors of the house. With the Seals having already cut the electricity, Bin Laden didn't even have access to a window to see who was approaching.

## The doubting Vice-President

Not everyone in Obama's circle believed that the Navy Seals should go in. Vice-President Joe Biden was against it, fearing that sending a unit into Pakistan without their government's permission could backfire and lead to war.

## The mystery killer

Even Obama himself doesn't know which Navy Seal shot the al-Qaeda boss in the head and then fired another three shots into his body. When Bin Laden's body was on board the Navy Seals helicopter, a Seal was asked to lie on the floor next to the corpse, its face distorted from gun shots. This was so that the exact height of the dead man could be checked. It was only then that the team, and the White House, were sure they'd got Bin Laden.

## End of al-Qaeda?

Bowden says: "Al-Qaeda is basically gone. Bin Laden's death was the symbolic end. That's not to say that the franchise of al-Qaeda will not live on – we'll be dealing with people who call themselves al-Qaeda for a long time to come. But none of these organisations are truly international. They're not capable of pulling off another 9/11."

- *The Finish: The Killing Of Osama Bin Laden* by Mark Bowden is out now, published by Grove Press, priced £16.99.

*CELEB BB*'S LACEY PRESENTS...

# 50 Reality TV Babes Topless!

A half-century of half-dressed hotties!

**Hello Lacey! Are you excited to be going into the *Celebrity Big Brother* house?**
Hello! At first, I was terrified about it but then I started to think, "Why not?" You only live once, right? I loved the series with Sylvester Stallone's mum, Jackie. She was hilarious. I'd love to be in with someone crazy like that.

**Even though it's going to be a bit chilly, can we still expect to see you in your smalls?**
I'll be hitting the hot tub, put it that way. Will I go topless? I'll have to be a bit careful, as my nan will be watching.

**What will we discover about you in the *CBB* house?**
That I have a massive big toe. My brother calls me "Toe-bo Cop" or "Toe-tanic". I think it's to balance out my massive boobs – or else I'd fall over!

**Have you heard any rumours about the other celebs going into the house with you?**
Katie Price! I met her recently and she's so pretty. I'd love Meat Loaf to be in there. Or Dog the Bounty Hunter – I heard he was coming on but he can't leave the US as he was once convicted of murder. At least I haven't done that!

**Do you hope to get loads more telly offers after this?**
Yes, I want to capitalise on my name a bit more. Banghard would be a great name for my own brand of condoms: "Banghard, bang safe!" Ha-ha!

**Finally, is it true that you're doing a charity bike ride to Paris after *Celebrity Big Brother*?**
Yes, for Help for Heroes. My uncle's in the Army, so it's important to me. I need to ride 350 miles at 75 miles per day. If there's an exercise bike in the house, I'll be laughing!

Turn the page for 49 more fabulous fitties!

Gigantic-boobed Grimsby lass Amy appeared in *BB*’s infamous “halfway house” twist – although clearly, there are no half measures with this fittie!

*CELEBRITY BIG BROTHER*

Here's Ryan's sister-in-law, hanging somewhat loose in a swimming pool. How come things like this never happen down our local baths?

*BIG BROTHER*

Since triumphing in *Big Brother 10*, Sophie has been a regular in *Nuts*. She even introduced our batch of new babes a couple of issues ago.

## 23 **DANNI KING**
*TOWIE*

Danni's not from Essex (she actually hails from Cardiff) but after seeing this saucy snap, it's not her birth certificate we're bothered about.

## 24 **PARIS HILTON**
*THE WORLD ACCORDING TO...*

*The Simple Life* girl's very own reality show was cancelled after only one episode in 2011. We miss seeing the gorgeous heiress on our TV.

She's the outrageous blonde who featured in the seventh *Big Brother*. Sometimes, if we're lucky, her boobs go awol when she leaves nightclubs.

### 28 JENNIFER CLARK

*BIG BROTHER*

Jen juggled two fellas in 2008's *Big Brother*, but claimed neither could "get it up". We can only assume the pressure of the cameras got to them.

### 31 RHIAN SUGDEN

*CELEBRITY BIG BROTHER*

Rhian once attracted the sexy text attention of lanky loudmouth Vernon Kay, but who can blame the man for trying? We're big fans of the Suggers.

### 32 BRANDY BREWER

*THE BACHELOR*

Boobtastic Brandy once said in an interview that she "falls in love at the drop of a hat". Quick, someone pass that lead-weighted cap over here.

Welsh *Take Me Out* lovely Adele is now a presenter on *Psychic Today* (you'll find it on Sky channel 886). Can you read our mind, Adele?

### 36 LOUISE CLIFFE

*BIG BROTHER*

The *BB12* babe was in 2009 horror *Wrong Turn 3*. We prefer the scene where she bares her boobs to the one where she's hacked down by a cannibal.

## 29 THE SHANNON TWINS

*CELEBRITY BIG BROTHER*

*The X Factor* chump Frankie Cocozza found living with the twins a bit of a chore, but it's a lesson learnt – ladies need their preening space, Coco!

## 30 KATIE PRICE

*I'M A CELEBRITY...*

Ahh, Katie. What more is there to say about the booby legend? She's probably the only girl who could eat kangaroo testicles and *still* look sexy.

## 33 CORIN FORSHAW

*BIG BROTHER*

The Jordan lookalike from *Big Bro*'s 11th outing has incredible 30G boobs! As you can see, they've been the subject of a bra eviction here.

## 37 JADE GREEN

*TOOL ACADEMY*

The Sussex beauty got eyes spinning in their sockets when she stripped during an episode of Channel 4 show *Tool Academy* last year. Boing!

## 38 HOLLY HAGAN

*GEORDIE SHORE*

If the raunchy Miss Hagan hasn't made an impression on you already, a quick online search of her *Geordie Shore* antics will. Crikey! ▶

### 39 JENNIFER NELSON

*THE BACHELOR*

Derby dazzler Jenny made an appearance in *Keith Lemon: The Film*. For a bloke with such awful dress sense, Lemon has impeccable taste in ladies.

### 40 DANIELLE MASON

*BIG FAT GYPSY WEDDINGS*

She's not big and she's not fat, but the lovely Danielle was still the best reason to tune into Channel 4 series *Big Fat Gypsy Weddings*.

### 41 KAYLA COLLINS

*I'M A CELEBRITY...*

The one-time *Playboy* Playmate appeared in the jungle in 2011. She also had a spell with Ashley Cole, but we'll forgive her that as she's so sexy.

### 46 EMILY SCOTT

*I'M A CELEBRITY...*

Emily has been the face of a tea brand and even married a bloke from '90s pop band 5ive. But you'll know her best for making the jungle sexier.

### 43 EMILY O'HARA

*THE X FACTOR*

Page 3 model Emily turned Gary Barlow red when she auditioned in Liverpool this year. She has a great pair of lungs – and boobs to match!

### 47 JAMIE JENKINS

*TOWIE*

Brunette Jamie is yet another of Big Mick's sexy signings, but *Nuts* saw her first when we bagged her for a saucy photo shoot back in 2011.

### 42 JESSICA-JANE CLEMENT

*I'M A CELEBRITY...*

Former *Nuts* cover girl Jessica ventured into the jungle and did that looking-all-fit-in-the-shower thing. "TV cameras? Oh, I had no idea!"

### 44 CHARLEY UCHEA

*BIG BROTHER*

The cousin of Fulham winger Kieron Richardson had a potty mouth in *BB8*. Not that we noticed, as we were too busy admiring that beautiful bod.

### 45 LUCY HARROLD

*TAKE ME OUT*

She stood for weeks waiting for Mr Right on *Take Me Out*, but we've got a soft spot for Tamworth's Lucy because she was originally in *Nuts*.

### 48 SAM GRIERSON

*THE X FACTOR*

*The X Factor* babe's lungs may not have wooed the judges, but her other skills have found a new home in the pages of *Nuts*. It's a yes from us!

### 49 NICOLA TAPPENDEN

*CELEBRITY BIG BROTHER*

Sexy Croydon girl Nicola T shared the *CBB* house with Vinnie Jones, Alex Reid and Dane Bowers. She was by far the prettiest of the bunch.

### 50 TONI ANWYLL

*TAKE ME OUT*

With hair so blonde, eyes so blue and boobs so plentiful, who wouldn't want to take out Toni? On a date, we mean, not with a sniper.

## India vs England

**SKY SPORTS 1/HD** • 8.30am

After racking up a historic victory in the Test series against India last month, England will be looking to assert similar dominance in the five-match one-day series, which gets under way today in Rajkot. And, as the number one-ranked team in the world, who's to say they won't? Not us. Come on, England!

★★★★

"Just a minute – who nicked my panini?"

NEW SERIES!

## John Bishop's Only Joking

**SKY1/HD** • 8.30pm

★★★★

"On the count of three we pull his chair away"

## Room 101

**BBC ONE/HD** • 8.30pm

Imagine if, like Frank Skinner here, you had the power to banish anything into oblivion? We'd do away with pubs prefixing everything with the word "posh" and then charging an extra fiver for it. This week it's over to TV presenter Terry Wogan and former cricketer Phil Tufnell to share their pet hates. Good fun, as always.

★★★★

**ROLE MODELS**

**E4/HD** • 9pm

Quality bloke comedy made better by sexy Jessica Morris giving us a glimpse of her splendid boobies!

# Saturday 12 January

As bouncers went, he wasn't the scariest

## Richard Hammond's Secret Service

**BBC ONE/HD** • 6pm

The cheeky-chappy presenter and a team of actors and comics prank members of the public while filming the whole thing. Here, a man experiences a demanding blind date.
★★★

"Not bad eh? I picked it up at Poundland"

## Night At The Museum 2

**CHANNEL 4/HD** • 7pm

This sequel to the 2006 original picks up in a similar fun-filled vein. The exhibits are shipped from New York to Washington, but when the lights go off, the exhibits come to life, which is as good an excuse as any for some special effects-laden silliness.
★★★

"These big nights out are catching up with me"

## David Attenborough's Galapagos

**SKY1/HD** • 8pm

As this series has shown, the wildlife of the Galapagos Islands really is mental. Sir Dave Attenborough wraps things up by meeting giant tortoises that weigh half a tonne!
★★★★

### Death By Dull!

**BRITAIN'S BRIGHTEST**

**BBC1/HD • 6.45pm**

Clare Balding hosts a knockout competition to find the country's biggest swot. Not just dreary then, but smug too.

# Sunday 13 January

"Urgh! What's that thing crawling on your boot?"

## Live Football

**SKY SPORTS 1/HD** • 1pm

Awesome! It's just about the biggest possible combination of top-flight games you can imagine as Man United and Liverpool square up for their own brand of particularly bitter rivalry at Old Trafford. After that, Arsenal attempt to put one over reigning champions Man City at the Emirates. Tasty or what?
★★★★★

Wiggins' new career was off to a testing start

## Ripper Street

**BBC ONE/HD** • 9pm

The intriguing drama series set in East London at the time of the infamous Jack the Ripper murders continues. This week a sudden cholera outbreak causes Reid and the team to suspect deliberate contamination, so they scour Whitechapel for clues. But as the laboratory fills with bodies, no evidence is to be found. Drat!
★★★

"Us? A Radiohead covers band"

## The Magaluf Weekender

**ITV2/HD** • 9pm

There's a reason why the Spanish resort is also known as "Shagaluf" and it's not because everybody there smokes pipes. This docu focuses on four young tour reps as they try to entertain and keep loads of rowdy, up-for-it Brits under control.
★★★

### ONE WITH THE MISSUS!

**DANCING ON ICE**

**ITV1/HD • 6.15pm**

It may be a lady-pleaser, but this year's series, that started last week, includes the still-hot Pamela Anderson and Lauren Goodger among the ladies.

# **Monday** 14 January

"Hey! Come back and dance with me!"

## QPR vs Spurs

**SKY SPORTS 1/HD** • 7pm

This should be good. Harry Redknapp, no doubt with some new January signings by now, faces his old club Spurs. 'Arry's arrival at Loftus Road has led to mixed fortunes for struggling QPR and AVB's Spurs are hardly mugs. Rangers will have their work cut out to claim all three points – or even one – this evening.

★★★★

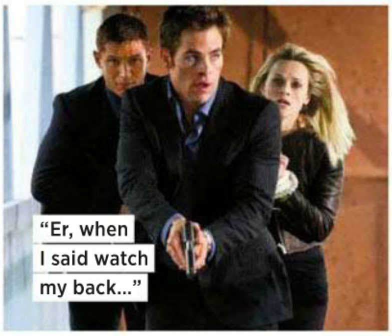
## The All New Gadget Show

**CHANNEL 5/HD** • 8pm

Telly's best tech show heads all the way out to Israel for a super-nerdy gadget festival. Elsewhere, excitable egghead Jason Bradbury and pretty *Nuts* fave Pollyanna Woodward will be testing the most essential of gadgets – underwater cameras.

★★★



"Er, when I said watch my back..."

## This Means War

**SKY MOVIES PREMIERE/HD** • 8pm

When could a rom-com actually be quite enjoyable? When it's an action rom-com, like this. Spies Chris Pine and Tom Hardy fall in love with Reese Witherspoon, so use their talents – and gadgets – to sabotage each other's chances of romance. Utterly daft, but if you're ever going to enjoy watching a rom-com with the missus...

★★★

### SOUNDS GRIM!

**EMBARRASSING FAT BODIES**

**CHANNEL 4/HD • 9pm**

Including a woman with a growth on her leg that weighs the same as a small child. On the plus side, it doesn't wake up at 4am or play up if it doesn't get its own way.

# **Tuesday** 15 January

"The joke about the chicken! I've finally got it!"

## The Sarah Millican Television Programme

**BBC TWO/HD** • 10pm

★★★

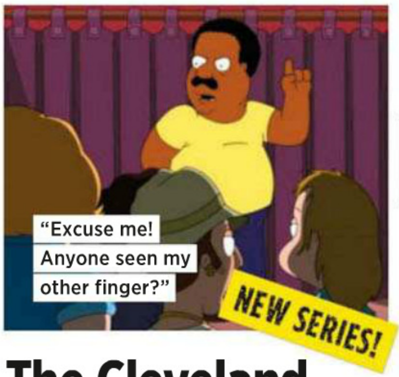
"Damn it! I'm out of sausages again!"

## Utopia

**CHANNEL 4/HD** • 10pm

One of the weirdest hours of new TV, this is head-scratchy, dark and creepy new drama. Five strangers chat online about a cult graphic novel. They agree to meet, but people start getting knocked-off by two seriously scary characters, and a conspiracy surrounding the graphic novel *Utopia* unfolds. Strange but compelling.

★★★★★



"Excuse me! Anyone seen my other finger?"

## The Cleveland Show

**E4/HD** • 10pm

It may not quite match the heights of *Family Guy* but Seth MacFarlane's spin-off's still ace enough to be given it's fourth run, starting with a double-bill. Cleveland and his gang destroy a car in Goochland, then he's sent to install a TV for rapper Kenny West.

★★★★

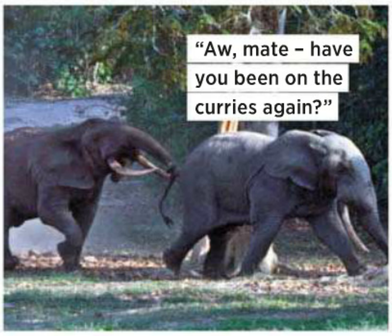
### FREAK OF THE WEEK!

**TABOO**

**NATIONAL GEOGRAPHIC/HD • 9pm**

This features a woman who pretends to be a puppy, including sleeping in a cage!

# **Wednesday** 16 January



"Aw, mate – have you been on the curries again?"

## Africa

**BBC ONE/HD** • 9pm

David Attenborough's visually stunning look at the wildlife of Africa reaches its halfway point with – appropriately – a visit to Central Africa and the Congo rainforest. There, he finds a chimp raiding a bees' nest, a bird feeding its dinosaur-like chicks and leaf-folding frogs taking part in kung-fu-style battles!

★★★★★

"Last one to blink gets the milkshake"

## Extremely Loud & Incredibly Close

**SKY MOVIES PREMIERE/HD** • 9.45pm

A boy whose dad was killed in the 9/11 attacks finds a key in his closet and trawls New York looking for what it fits. He likes a challenge then. An intriguing idea, but an average film.

★★★

"I've gone and broken my fingernail!"

NEW SERIES!

## Outlaw Empires

**DISCOVERY** • 10pm

Fascinating new series following *Sons Of Anarchy* creator Kurt Sutter as he goes around talking to key people in some of America's most terrifying outlaw organisations. The likes of the Italian Mafia and American bikers follow in the weeks to come, but he eases his way in gently with, er, LA street gang the Crips. Gulp!

★★★

### HIDDEN HONEY!

**BEAUTY AND THE BEAST**

**WATCH/HD** • 9pm

A lady-pleasing drama, but what makes this watchable is the welcome presence of Kristin Kreuk as a detective.

# **Thursday** 17 January

The latest *Call Of Duty* game was a bit of a letdown

## Die Hard 4.0: The True Story

**DISCOVERY/HD** • 9pm

*Die Hard 4.0* was, much like its three predecessors, unutterably ace, as Timothy Olyphant's cyber-villain tried to ruin the US using computer hackery. But, this documentary reckons the events that unfolded in the movie could happen in real life!

★★★

It was a poor turnout for the Facebook party

## American Dad!

**FOX/HD** • 9.30pm

This is one of those occasional Seth MacFarlane episodes in which the characters from his other series, *Family Guy* and *The Cleveland Show*, come together as one. And that means the Griffin family and Cleveland and his brood meeting up with the Smiths as the area is threatened by an almighty storm.

★★★★

"Blimey, this aftershave must be bad!"

NEW SERIES!

## Way To Go

**BBC THREE** • 10pm

This new black comedy has real promise. Three pals (including Blake "Neil from *The Inbetweeners*" Harrison) reluctantly agree to help a terminally ill man end his life, leading to them setting up an assisted suicide business. Despite its dark subject matter, it's not without its fair share of belly laughs along the way.

★★★★

### GAG OF THE WEEK!

**E4** • 11pm

"The Americans' positivity drains you. When they high-five the arrival of a salad you just want to punch them in the face!"

## A host of hot tips to help you win big!

➔ **YOU MAY** think Deal or No Deal is a game for people who believe in "systems". But take it from us – the multi-line slot game certainly isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent ***Nuts Games*** winner bagged himself a massive £171,715! Head to **www.nutsgames.co.uk** and start playing NOW!

## How to play

- **The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.**
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- **The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can also win extra cash!**

## Number lines

Click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win big!

## Bonus game

If you bet on all 20 pay lines and get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the progressive jackpot at stake.

CONFESSION OF THE WEEK!

## 'An unexpected delivery'

**I WAS** getting ready for a uni presentation and was putting on extra-formal clothing when the doorbell rang. I went to the door, dress zip halfway undone, to greet the supermarket delivery man. He helped me get the zip up, but then gently kissed my neck, peeling the tight dress from my body. He smelt great and I didn't want him to stop. I pulled him onto the stairs, as he pushed my knickers to the side and went down on me. It was so dirty but I loved every second. He then re-dressed me and sent me on my way. It woke me right up!

**Amelia via email**

## 'I was biting his neck!'

**I WORK** in the local pub and it was the end of a busy night shift. The guy in the kitchen, who had been making cheeky remarks all night, gave me a lift home. We started passionately snogging there and when we got back to my place, it wasn't long before we were in my hall, undressing each other and kissing. Before long, I was on my knees, going down on him. Eventually, he pulled me up, spread my legs apart and entered me hard and fast. I was screaming and biting his neck, begging for more. The sexual tension at work is now unreal!

**Charlotte Coventry**

## 'We tried to stay silent'

**WE HAD** to stay at my fella's gran's over Christmas and New Year and mastered the art of silent sex. Or nearly did!

One night, he started kissing me slowly on the lips before moving down and gently kissing my neck. His hand moved down to my thighs and rubbed against my knickers.

At the same time, his mouth found my nipples, kissing and licking them with his big tongue. As his fingers moved faster inside me, I found it very hard to stay quiet. Grabbing my pink vibrator, he used that too, forcing me to bite the duvet cover to stop myself from screaming. Finally, when I was almost there, he opened my legs wide and pushed himself inside of me. The silence rule was forgotten and I screamed in delight. The next day, we had to explain to his gran that I suffered from night terrors!

**Jody West London**

## 'We played with him!'

**I WAS** in my media lecture with two of my housemates – a guy and a girl. He was sitting in the middle of us, legs wide apart, gently brushing ours. I soon got bored of the lecture and starting looking at my girlfriend to see if she was getting as turned on by our friend as I was. We both were thinking the same thing and I could feel myself getting really wet.

I began stroking his leg, running my fingers right up to his groin and my girl friend soon joined in. He absolutely loved it and was soon running his hands right up under our skirts and touching us both up at the same time! We began to take it in turns to stroke his erection. To our delight he took us back to the house afterwards to teach us both a thing or two!

**2 What's your trademark move in the bedroom?**

MAN UTD VS LIVERPOOL SPECIAL!

# Van Persie: 'Sir Alex is frightening!'

The Man United hitman on his sensational start to life as a Red Devil!

**Hi Robin! It's fair to say that you've made a pretty quick impression at your new club...**
I'm obviously pleased how things are going. I came here to experience new things and hopefully win trophies so I guess it's a case of "so far, so good." I can't speak highly enough of the club and my team-mates. They've made me feel part of the family.

**What's so special about your new club?**
There are so many winners here, players who have enjoyed so much success, but the hunger's incredible. Whether you're young, a player breaking through or someone who has won loads of trophies, that winning mentality is the same. If you play for a club like Manchester United you expect there to be talent, of course, but the work ethic is something else. Whatever the circumstances, this team fights for each other. Yes, it's a club with success, but history tells you that even in bad games, Manchester United teams dig deep, always. This is no accident. From back to front – defenders, midfielders and strikers – we all work for each other. We have big players but the team comes first.

**How much of that attitude comes from the manager?**
All of it. We're professionals and approach all games in the right manner, but to have a legend of the game in charge and setting an example is fantastic. He's won everything, yet his intensity for the club and the expectations he has of his players remains the same. United must be winners. His desire is frightening!

**How is your partnership with Wayne Rooney working out?**
Wayne's one of the best strikers in the world and I think already we're enjoying an excellent relationship. I'd like to believe we are both intelligent players and perhaps this shows in our partnership. It's still a relatively new relationship so I think we'll get better as the season progresses.

**What do you think are Rooney's best qualities?**
Technically he has everything. He can assist, score goals, find space, play good passes and so on. I especially like his love of playing the game. He is unselfish and is willing to make sacrifices. He also *hates* losing. Everyone admires and values a player like him.

**How do you see your partnership developing?**
Early on we reached an immediate understanding – probably quicker than most people thought we would. As the season progresses I know we'll get better and better and become a real force. The next few months should be fantastic.

**That's a frightening thought for defenders!**
I hope so! We are an exciting team, as a whole, going forward and I'd expect us to move into another gear. We are a team of champions and it's our goal to prove our worth. Manchester United need to win the title. We need it.

"Never mind. I'll find someone like you!"

# Agger: 'Liverpool is part of me!'

## The Kop defender on his bonkers knuckle tattoos!

**Hi Daniel! First up, how would you assess Liverpool's season so far?**
Up and down. Inconsistent. At times we play excellent football and get a good result, and then the next game we'll drop points. This is something we have to sort out.

**Is it a change in style that has made you so inconsistent?**
I like our style – we keep the ball, play it around, we enjoy possession. But we need to climb the table. All the players here must have the mentality that we must try to get three points every single game. Nothing else is good enough.

**How's morale in the dressing-room at the moment?**
We're confident in what we're doing. Everyone here is united in our goals. This is a young team but we're learning fast, I think. We're creating lots of chances and to be part of this team feels good.

**People have been blown away with Luis Suarez's form. What's he like to play with?**
He is a top quality player, one of a kind. If you come up against him in training it's incredibly hard – and we know him really well –so he must be a nightmare for opposition defenders! His skill is phenomenal but so is his work rate. He's exactly the kind of player to help Liverpool move on to special things.

**How have you found Brendan Rodgers as manager?**
He has brought in new ideas and a fresh approach. He wants us to think progressively and I like that. I signed a new contract this season, which says it all.

**Other teams were interested in signing you this season – including Man City. What was it that made you decide to stay on Merseyside?**
I never wanted to leave. This is Liverpool. I love the place. The club is part of me.

**It certainly is! You've got YNWA (You'll Never Walk Alone) on your knuckles!**
Well, I'm obviously proud to be here. And my hand is the proof!

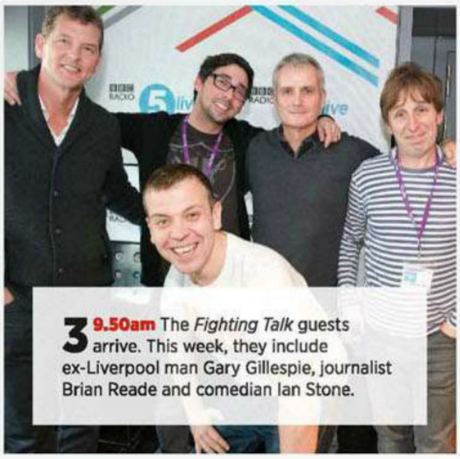
# *Nuts* visits the 5 Live studios!

## A day in the life of the top station!

SATURDAYS WITHOUT football would be unthinkable. And without Radio 5 Live to take us through the day's events it'd be a disaster. But **how does it all come together? *Nuts* spent a day at the station's new Salford headquarters, shadowing the chaps on big shows such as *Fighting Talk*, *5 Live Sport*, *Sports Report* and *606*, to find out...**

**1** **9.30am** *Nuts* arrives at the BBC North HQ in Salford, the home of both BBC Sport and Radio 5 Live. We're whisked up to the first floor, where Radio 5 Live lives.



**3** **9.50am** The *Fighting Talk* guests arrive. This week, they include ex-Liverpool man Gary Gillespie, journalist Brian Reade and comedian Ian Stone.

**4** **10.35am** Colin welcomes *Nuts* into the *Fighting Talk* studio and shows us a big blue box that contains hundreds of sound effects for his use in the show.

**5** **11.02am** We're off, with every joke soundtracked by Colin's magic box of sounds. Boing! "Some people play the piano – I play this," he says proudly.

**7** **1.10pm** We meet *5 Live Sport* editor Simon Clancy, who explains each of the buttons on the box in front of him link to a reporter he can communicate with.

**8** **1.55pm** Martin Keown pops in to do a quick piece. "Photo for *Nuts* please, Martin?" "No problem, my pleasure," says the Arsenal legend. What a gent!

**9** **3pm** Kick-off! Whenever something happens, the producers prepare John Murray, the commentator, on the featured match so he can link to the right reporter.

**11** **4.40pm** As the games approach full-time, the screens in the studio show a seemingly never-ending roll of results. Blimey, it's Altrincham 0 Gainsborough 1!

**12** **5.35pm** Tonight's *606* host Johnny Vaughan appears, but he doesn't want to chat. "Sorry, lads," he says. "I need to get it right before I go on." Fair enough.

**13** **6.37pm** The calls come relentlessly to Johnny and co-host Robbie Savage. Tonight's main subject is Chelsea – and Johnny, a true Blue, is on top form.

**2** **9.35am** We meet Colin Murray, host of sports panel show *Fighting Talk*, who's preparing for the 11am start. "*Fighting Talk* is such a pleasure to do," he says.

**6** **NOON** As *Fighting Talk* finishes, *Nuts* legs it to the next studio where *5 Live Sport* is getting under way up for a long afternoon of top footy action.

**10** **3.50pm** Half-time. Bits of audio are collected by an editor to be used later on. "Neil Warnock's said something controversial," he says. Surprise, surprise!

**14** **7pm** As the news is read out, we head off into the rainy Salford night. But at 5 Live, the preparation's already under way for Sunday and yet more footy!

"Hey, look at me! I'm walking like a robot!"

# 'Sir Alex's mind games have begun!'

## Fergie's getting up to his old tricks again!

**SIR ALEX** Ferguson has come in for some flak after calling Newcastle a "wee club," but I think their supporters and the rest of us need to take it with a pinch of salt. He's just playing his mind games again.

There's no way Sir Alex thinks Newcastle are a small club. It's just his way of getting people's backs up and instilling the "them and us" mentality in his team that serves them so well.

Sir Alex is a master of mind games, the very best there is – he knows how far he can push it with officials without getting into trouble, and they know that he'll cause all kinds of trouble if they complain about him. But it's just psychology. If Newcastle ever beat Fergie in what remains of his career, they'll be able to shove his words down his throat, and that will be all the motivation he needs to make sure it doesn't happen.

He can just add another name to his list of scalps, because he really has got them all over the years with his mind games – Kevin Keegan, Rafa Benitez, Arsene Wenger.

There's nobody better than him. Jose Mourinho's probably the second-best but even he'd admit that Sir Alex takes some beating in the psychology game. And that's all the more reason why Jose should come back to England!

"I'm sure it's shrunk since this morning"

# 'These shirty decisions make us look daft!'

**EDIN DZEKO** scored a goal against Stoke on New Year's Day, took off his shirt to reveal a vest with "Happy New Year" on it, and got a yellow card. It's just disgraceful! I listened to Dermot Gallagher talking about it on TV and thought, "What has the game come to?"

Apparently, if Dzeko had pulled the shirt over his head, he wouldn't have been booked, but because he took the shirt all the way off, he got carded!

I thought it was just T-shirts with company logos that were the problem, but apparently now players are penalised according to the extent that they remove the shirt.

Nobody was going to start a riot because Edin Dzeko wants the fans to have a happy new year. Shameful!

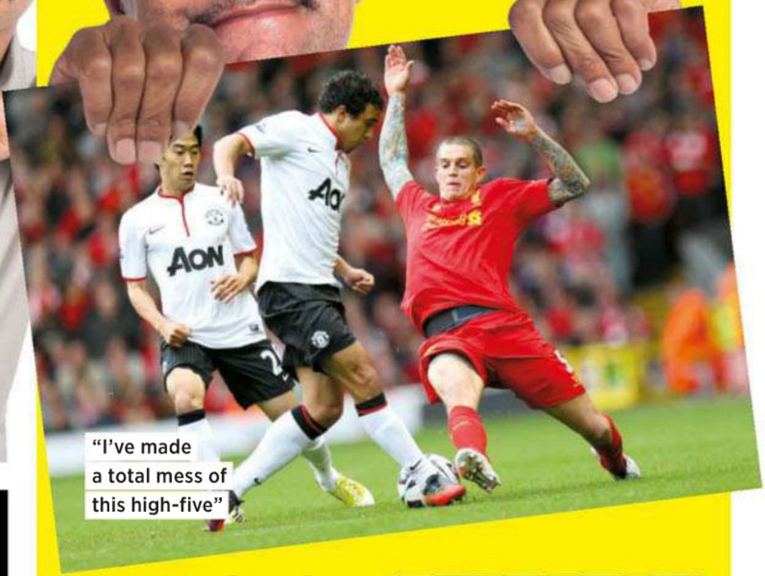
## UNBELIEVABLY GOOD!

**ROCKING ROBIN!**
Robin van Persie just keeps on scoring. He was the top goalscorer in the Premier League in the last calendar year, and has clearly started as he intends to go on in 2013.

## UNBELIEVABLY BAD!

**REFFING HELL!**
Christmas was a terrible period for refereeing decisions and inconsistency. It's alarming. Refs just seem to have no idea what's a foul and what isn't.

# THE BIG MATCH!



"I've made a total mess of this high-five"

## Man United vs Liverpool

**13 JAN, 1.30pm** • Sky Sp1/HD

With Man United, it seems whatever happens, they have the desire to come back and grind out a win. Liverpool are still in transition. This is always the fixture where they puff out their chests and have a good old go but that on its own just won't be enough.

**PREDICTION: 2-1**

### Key men

How can I look at anyone else other than RVP? He's unplayable! He's hungry for goals and playing with a smile on his face.

## 'Is Walcott on his way?'

**THEO WALCOTT** has thrived since Arsenal started playing him in his favoured position as a striker, but I suspect the decision as to whether he stays at the Emirates has been taken away from him. To keep Theo happy, Arsenal have to keep his advisors happy, which means they're going to want similar money to that which they'd receive if Theo left on a free transfer. It's their big payday as well as his, basically. Theo could probably command £15m and massive wages, so I think it'll be difficult for Arsenal to match what another club can pay him and his people. Players have left Arsenal because of their wage structure and I suspect his advisors will want to cash in. I think it's what Theo's advisors do that'll decide his future.

# Taylor: 'I celebrated by weeing in a bottle!'

## The Power on world titles, Barney's handshake and pep talks from Robbie Williams' dad!

**Hi Phil! So, that's 16 world titles now! Wow! This one was a bit of a struggle, wasn't it?**
Yeah, I had a cold all week, but I got there in the end. The crowd carried me over the finishing line. It was a totally different atmosphere to any other final I've played in, very emotional. There were lots of chants for the late Sid Waddell. His wife, Irene, was there with his family. Also, the referee Bruce Bentley was retiring after 34 years in the game – he's the fella I kept kissing! It was special.

**You've said some stuff in the last week or two suggesting you're considering retiring…**
Ha! I'm not ready just yet, but I'm 53 in August. I always said I'd quit at 55. Robbie Williams' dad, Pete, who was an entertainer for years, sort of acts as my agony uncle and second dad, and he said, "One day, you'll wake up and you'll know, so don't say when you intend to quit. The day will come." I've got four grandkids now though. I want to take them fishing and go to the beach!

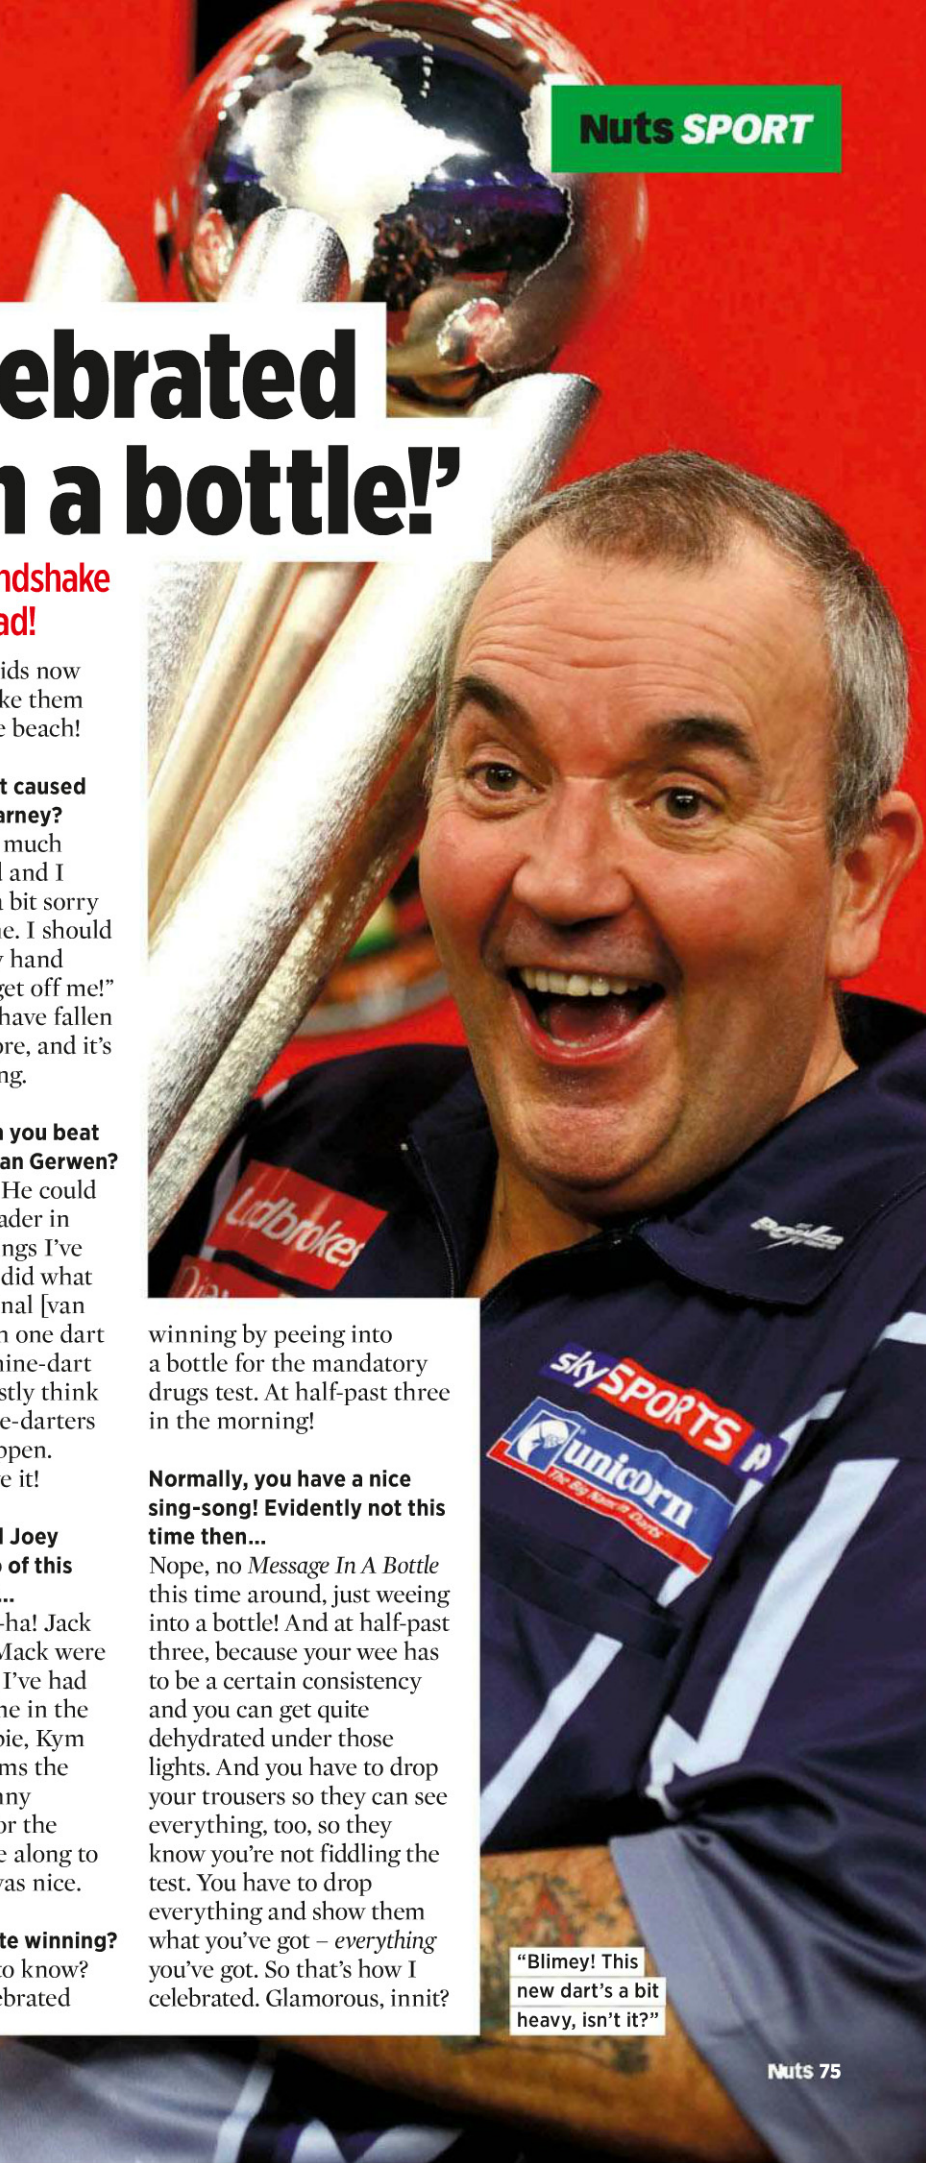
**Can you explain what caused your face-off with Barney?**
He just put a bit too much squeeze on my hand and I think I was feeling a bit sorry for myself at the time. I should have just yanked my hand away and said, "Oi, get off me!" But me and Barney have fallen out many times before, and it's never meant anything.

**How good is the man you beat to the title, Michael van Gerwen?**
Absolutely brilliant. He could be the next world leader in darts. He's doing things I've never seen before. I did what he did in the semi-final [van Gerwen came within one dart of two consecutive nine-dart finishes], but I honestly think two consecutive nine-darters is never going to happen. I simply don't believe it!

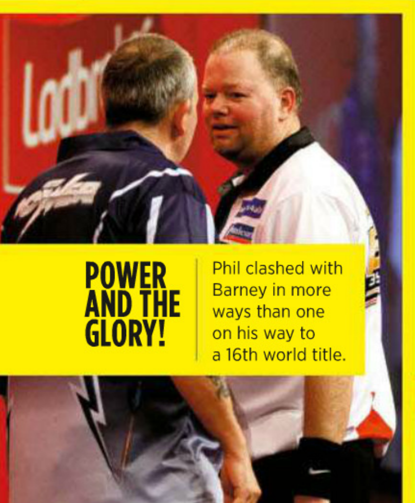
**Robin van Persie and Joey Barton were just two of this year's celebrity fans…**
Was Joey there? Ha-ha! Jack Whitehall and Lee Mack were my guests this year, I've had Joe Longthorne come in the past, obviously Robbie, Kym Marsh, Mark Williams the snooker player. Johnny Herbert was there for the final – he invited me along to Silverstone, which was nice.

**How did you celebrate winning?**
Do you really want to know? Honestly? OK, I celebrated winning by peeing into a bottle for the mandatory drugs test. At half-past three in the morning!

**Normally, you have a nice sing-song! Evidently not this time then…**
Nope, no *Message In A Bottle* this time around, just weeing into a bottle! And at half-past three, because your wee has to be a certain consistency and you can get quite dehydrated under those lights. And you have to drop your trousers so they can see everything, too, so they know you're not fiddling the test. You have to drop everything and show them what you've got – *everything* you've got. So that's how I celebrated. Glamorous, innit?



"Blimey! This new dart's a bit heavy, isn't it?"



**POWER AND THE GLORY!** Phil clashed with Barney in more ways than one on his way to a 16th world title.
